## Madoc minor hockey registration this coming weekend

by Morley Perrie

Madoc Minor Hockey registration dates will be Sept. 8th from 7-9 p.m. and Sept. 9th from 10 a.m. - 1 p.m. the same days as the Madoc and District Figure Skating Club is holding their registrations.

Registration Fees: Beginners \$45.00; Tyke and House League \$70.00; Rep Teams \$100.00 and Family Game Passes \$35.00.

Next meeting will be Sept. 18th at 7:00 p.m. Election of Officers, all positions will be open. Any parent or interested parties are urged to attend or have someone attend on their

behalf. "Our Minor Hockey Association is only as strong as its supporters so don't be a stick in the mud."

We have had a strong reception to our House League system and hope to see even more boys and girls who wish to play hockey, as a recreation, once or twice a week without a travel commitment. Your co-operation is greatly appreciated.

**Editor's note:** For more hockey and baseball news read Morley's column on page 4 of this paper.

### Dates to remember

Sept. 6 - Open house for dance classes at Madoc's Anglican church from 6-8 p.m.

Sept. 7 - Fair Queen Competition and Fashion Show at CHSS.

Sept. 8, 9 - Madoc Minor Hockey and Madoc & District Figure Skating Club registrations at Madoc Arena. Friday 7-9 p.m. and Saturday 10 a.m. to 1 p.m.

Sept. 10 - Big Brothers/Sisters Car Rally. Starts at 10 a.m. in the Stirling IGA parking lot. For more info call 473-4247 or 473-2242.

Sept. 12 - Brownies, Guides registration from 6:30-8 p.m. Brownies register at United Church and Guides register at Anglican Church. Scouts have yet to set registration date and time.

Sept. 14 - Bingo at Madoc Township Rec Hall beginning at 7:30 p.m. For free bus info call the Township at 473-2677.

Sept. 17 - FREE car wash hosted by the Centre Hasting Big Brother/Sisters Association in the parking lot of Tweed's IGA store. For more info read this paper.

Sept. 23 - Annual roast beef dinner at the Madoc Fair in the arena from 4-7 p.m. Cost \$7. Proceeds to Big Brothers/Sisters Association.

### Brownies & Guides registration

by Janice Pinke

Resuming after a brief hold for the summer months is Brownies and Guides which meet every Tuesday here in Madoc village.

Registrations for the two clubs is next Tuesday, September 12th, from 6:30 to 8 p.m.

Register for Brownies (ages 6-9 years) at the Madoc's United Church on St. Lawrence St. east and to register for Guides (ages 9-12 years) go to Madoc's Anglican church on Durham St. north.

The 'Guiding Program' here in North Hastings is lacking leaders for two of its programs, Sparks and Pathfinders.

The Sparks club is for girls who are pre-Brownies (age 5 years). Therefore, the leader need only be someone who enjoys being with five year old kids.

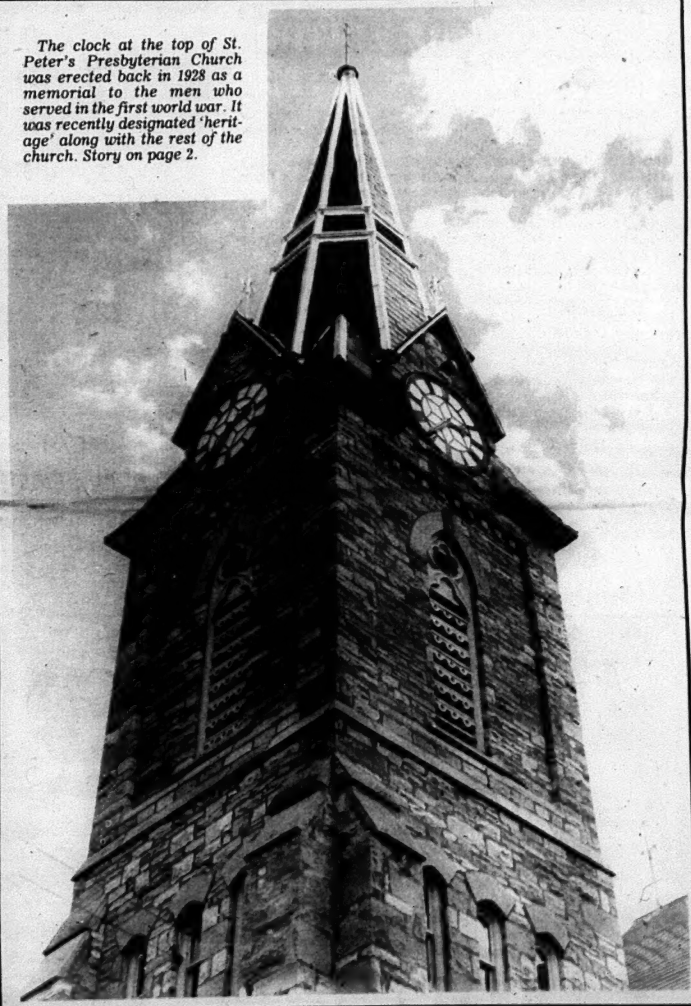

Pathfinders comes after graduation from Guides and is for young ladies between the ages of 12 and 15 years.

If any person or persons is interested in becoming a leader and starting either of these programs back up again please contact District Commissioner Mary Mikkelsen at 478-3942.

### BOY SCOUTS

Registration for Boy Scouts has not yet been given a date or time - read this paper for announcements.

The clock at the top of St. Peter's Presbyterian Church was erected back in 1928 as a memorial to the men who served in the first world war. It was recently designated 'heritage' along with the rest of the church. Story on page 2.

## Big Brothers/Sisters cleaning up for free

by Janice Pinke

The Centre Hastings Big Brothers/Big Sisters Association "is better off financially, this year, and the agency wants to give back to the community what the community has given to them" says Marg Cooper of the 'Big' association.

To do this the 'Big' association is hosting the first ever

FREE car wash this coming Sunday, September 17th from 10 a.m. to 1 p.m. in the parking lot of Tweed's IGA store. "We want to thank all the community's; both the businesses and individuals who helped us throughout the year" says Marg.

Tweed will host the Association's first FREE car wash, Marg says, and next year it

will most likely be Madoc.

While you are waiting for your car on the 17th you can enjoy refreshments compliments of the Association.

Cleaning up will be 'Bigs' and 'Littles' and any boards members able to make it.

FREE, one car wash, Sunday, September 17th from 10 a.m. to 1 p.m. in the Tweed IGA parking lot!

## St. Peter's gets 'heritage' designation

by Janice Pinke

At the last regular meeting of Madoc Village council August 29th, a bylaw was given it's three readings and passed declaring the Presbyterian Church property a 'heritage property'.

It's the first church in Madoc to receive such a designation and for the church it means fifty percent funding of up to

\$3000 from the Ministry of Citizenship and Culture for upgrading and maintaining the original property of the church.

St. Peter's minister Rev. George Beals says that his session and congregation spearheaded the effort to get the special identification. The church can apply for multiple grants at one time "which is

why we took this particular course of action" says Rev. Beals. There are special grants for more money but these require more paperwork.

St. Peter's Presbyterian Church at the corner of St. Peter's Street and St. Lawrence West, was built in 1875. Rev. George Beals has been the residing minister for the last five years.

## Plane lands on highway 7 to get directions straight

This past Saturday, September 2nd, at approximately 1 p.m. a single engine Cessna 152 airplane landed on highway 7 in Madoc Township approximately 3 kilometres east of Madoc.

The plane was owned by

Central Airways of Kingston and piloted by Ernest Sylvester-Williams age 22 of Kingston.

He was enroute from Kingston to Bancroft and got his directions mixed up. The plane

landed safely and there was no damage or involvement with other traffic.

At approximately 3:36 p.m. the highway was blocked off and the plane took off safely returning to Kingston.

## Madoc nursery school commencing after summer holidays end

by Deborah Whiteman

Once again Madoc Nursery School is beginning another year Tuesday, September 5th out of the Madoc Presbyterian church.

Saying goodbye and thanking last year's Board of Directors for all their support and insight: Chairperson: Sue Smith, Treasurer Debbie Robinson, Sec/Registrar Joanne Pigen, also saying goodbye and goodluck to teacher, Kathy Partridge and her assistants Cheryl Palmer and Karen Wiggins.

As of August 28th, a whole new Board of Directors were elected along with a new staff being hired; they are as follows:

Chairperson, Alison Woolcott, Treasurer, Terri Easton, Sec/Registrar, Deborah Whiteman, Teacher Gail Rollins, Teacher's Assistant, Doreen MacMillan.

Madoc Nursery School is a Co-op organization and with parent's ideas and support, we plan to have a fun-filled year

with lots of activities for the little ones to enjoy. Morning classes begin 9:00 a.m. and run till 11:30 a.m. Tuesday and Thursday mornings. If you or anyone you know have a child 2-4 years of age and are interested please contact: Deborah Whiteman 473-2490.

## LETTER TO THE EDITOR

Dear Editor,

On August 25th Madoc Township Clerk Bill Lebow asked me, Custodian Douglas Pack, if I would appear at a council meeting at 7:30 p.m. on August 28th.

Appearing before council, I was advised by Reeve Harold Harris that the committee (council) suggested that my Custodian job would be put up for tender next month.

I then questioned Reeve Harris as to why it was being tendered. Reeve Harris replied that there was no complaint on the quality of his work but just too many hours to do the work and the (Township's) recreation centre was losing money.

Councillor Robert Sager questioned Reeve Harris as to how they know they are losing money as they have not a financial statement recently. Reeve Harris then questioned Clerk Bill Lebow as to the financial status and Clerk Lebow replied that it was operating in a deficit.

Councillor Sager then questioned Reeve Harris as to why they would be having a free dance if finances are in such bad shape. Councillor Raeburn Robinson replied that they are counting on the bar to compensate for free admission.

I then retired from the council chamber and went home.

Approximately one hour later Reeve Harris telephoned me at home and stated that council had talked about the tender and would like to have me stay on this position until the end of the year.

I am questioning how could my job be advertised and then rehired all on the same night?

Douglas Pack

Editor's note: Douglas Pack has formally submitted his resignation to Madoc Township council effective September 15th.

Joining Les and Marion Blakely on their 50th wedding anniversary this past Saturday

was (from left) the Blakely's daughter Heather Grefford, Les' best man Stafford

Cosway, Marion's maid of honour Ruby Brintnell, Marion

& Les Blakely and their son Brian Blakely.

## Golden times celebrated on golden day

by Janice Pinke

Les and Marion Blakely of Huntingdon Township were married fifty years ago this past Saturday, September 2nd

at the Holloway United Church in Belleville.

At an open house Saturday at Madoc's United Church, Les

and Marion celebrated their fifty years together along with their two children, five grandchildren and many friends.

Les, 75, was born in Madoc

while his lovely bride Marion, 73, was born in Prince Edward County. Farming was the day to day routine at the Blakely homestead.

## Madoc Meat Market puts icing on top of cake

by Janice Pinke

For an estimated sixty years the Madoc Meat Market has been known for exactly what

it's name boasts - meat.

Now, three years after Gord Mackey took over the Russell Street business, he's added a

full smorg of fresh baked goods to offer his customers.

Homemade breads eclairs, buns, muffins, personalized cakes, pies and strudel are all now a part of the breathtaking cuisine mostly prepared by the Market's supervisor Bonnie Dunsby.

## Hurricane lottery

# Armitage Juniors win OASA tournament title

by Morley Perrie

The defending champions "Madoc Armitage Junior" had their work cut out for them in their first game of the OASA tournament against Clavering weekend before last (August 26/27). After a 3-1 first inning deficit Madoc fought back with a 3 run fifth inning to pull off a 4-3 victory.

Madoc then had to face Belmore where again they found themselves down 10-8 in the 7th and came back to win 11-10 earning a bye into the finals where they faced a very determined "Haileybury" team. losing their first game 10-6. Madoc was then forced to win the next game and came through under the pressure winning by a convincing 16-9, bringing 14 players to the plate in the 6th inning.

During the tournament Madoc had 5 home runs, Kevin Terrion 2, Kelly Cook 1, John Burns 1 and Rob Martin 1. One doubles: Kevin Terrion 2, Derek Potts 4, Jon Burns 1, Scott Chapman 2, Madocs top R.B.I's 36- Bill Chesher 3 R.B.I's, CF-Kevin Terrion 2 R.B.I's, C-Rob Martin 2 R.B.I's and RF- Kelly Cook 1 R.B.I. for a total of 15 earned runs facing

9 errors for 22 more runs while allowing 32 runs in 4 games.

## FUTURE GAMES

Sept. 9th the Centre Hastings Bantam Girls tournament which begins at 8 a.m.

M.T.M. JR.

"C" HURRICANE

Madoc Jr. Hockey Club will start this season at home on Oct. 10th at 8 p.m. This year they will be in a newly formed league. The "Eastern Ontario

Junior Hockey League" will consist of Madoc, Picton, Trenton, Napanee, Frontenac and Ernestown.

There will be another Hurricane lottery consisting of 3 separate draws.

Winning tickets from each draw will be eligible for all 3 draws.

Prizes will consist of 20 \$100.; 1-\$500.; on the first and second draws and the third draw will be 20-\$100.; 1-\$1000. Tickets cost \$30.00 with 400 being sold.

## CONTINUING INDEFINITELY

by Janice Pinke

The Madoc Township bingo games will "continue indefinitely" thanks to the crowds who have made past games a success says Linda Danford from the Madoc Township municipal offices.

Two weeks ago the Township's bingo games accommodated 105 persons and last week (August 31st) 90 persons attended. All proceeds from the bi-weekly bingo games

goes towards all Township recreation programs.

A FREE bus will transport village residents to the 7:30 p.m. start; call the Township for more information at 473-2677.

Nobody won the \$500 jackpot last week. The September 14th games will offer \$550 in 55 numbers. Read the "Dates to Remember" column in this paper for game dates and times.

Madoc council highlites

## Madoc Village applying for \$1.2 million grant for Whytock property

The regular meeting of Madoc Village council was held in the council chambers with all of council present on August 29th.

Council moved that the Clerk and the Reeve be authorized to apply to the Ministry of Tourism & Recreation for \$1.2 million over ten years to establish the recreational facilities in the Whytock property.

That a stop sign be erected facing Durham Street to stop southerly traffic at Walt Jefferys house. Gladstone has been opened to through traffic.

Doug Parks was authorized to check with Grant Smith on how and why people are

getting into the dump. Council also advised that Bob Smith is to dig a big trench at the Landfill Site for the winter.

\* That the firm of Gardiner, Roberts be advised that we are unable to accept the industrial waste from the City of Peterborough.

\* That 24 250-400 watt mercury old street lights be offered to the village of Marmora for \$250 and failing this they be disposed of by tender sale and/or junked.

\* That all municipal employees hired on the crew are to have a 'D' class drivers license or one that allows the driving of all Village trucks and equipment.

Earl & Burnis Wartman

## 50th anniversary for retired Cooper residents

by Janice Pinke

This past Sunday afternoon, September 3rd, Earl and Burnis Wartman celebrated their 50th anniversary in the company of their family and friends at the Cooper Commu-

ity Hall.

The Wartmans, who now live in Madoc Village, spent their days farming on their former homestead in the hamlet of Cooper where they raised two daughters Treva

and Gail.

Burnis was born in Campbellford and Earl was born in Warkworth. They were married in Eldorado in 1939. The couple have six grandchildren.

# Dump policies may force cancellation of special garbage pick-up

by Janice Pinke

Remember the pick-up of large household garbage Huntingdon Township hosted annually? Looks like it may be

canceled due to the new policies being enforced at Madoc's Landfill Site.

This year not only would it cost the Township labour costs,

but it will now cost \$20 per truck load delivered to the Madoc Landfill Site.

When this reporter inquired as to whether or not Hunting-

don Township residents could absorb the costs for the pick-up; this reporter was told that another reason for the cancellation was because last year it took three days to accommodate all those requesting the special pick-up.

At the last regular meeting of Huntingdon Township council, Clerk-Treasurer Bonnie Jones was instructed to contact Jim Byers to see if his Tweed salvage company was still interested in the steel from these household items. His answer was basically, no.

Huntingdon Township council however, has not made any formal decisions regarding the pick-up as yet. This matter has been shelved for future discussion.

## Highlites of the August 23rd meeting of Huntingdon Township council

The regular meeting of Huntingdon Township council was held at the Township's hall in Ivanhoe on August 23rd.

\* The Clerk was requested to redraft a bylaw imposing conditions on requests for land severances, and delete the section which states "the applicants supply the Municipality with proof by way of an affidavit that there is a minimum of 3.5 gallons per minute of potable water and further that the applicant supply the Municipality with a copy of the results of the bacteriological analysis of drinking water as carried out by the Public Health Laboratory. This condition will not apply to seasonal residential zones adjacent to water courses" and further that this condition which has not been fulfilled on existing land severances be removed.

\* Twenty applications were received for the position of operator for the Road Department. Councillor Cooney advised that he was related to the one applicant whom he would not be supporting but that he wished to take part in the discussions. The Roads Superintendent is to take part in the interviews and have input on the hiring.

\* A discussion took place regarding the need for stop signs on the Quin-Mo-Lac Road, the 9th Concession between lots 2 & 3, and the Boat Launch Road Concession 14.

\* Council declared that Township trucks be made available to draw crushed rock for the well at the Moira Hall in the hamlet of Moira.

\* Council members received copies of the report of livestock valuer Burton Calvert. Laurison Grills had one ewe killed by wolves, total compensation awarded \$150.

\* Correspondence was

received from the Ministry of Tourism and Recreation advising that our application for a grant for playground equipment has been reviewed and found complete and eligible for consideration.

\* Council discussed hold a meeting to deal with the problems associated with the Madoc Lagoon and Moira Lake.

\* That correspondence be forwarded to Gardiner, Roberts advising that the Township of Huntingdon is not in a position to accept waste from the City of Peterborough or the Township of Otonabee.

## Queensborough draw

A pot luck supper was held at the Queensborough recreation hall last Thursday evening at which time the winner of a cord of wood was announced:

1st prize - Frank Young R.R. 2 Marnora, ticket 0032. One cord of firewood cut and split.  
2nd prize - Bernice Cassidy, R.R. 2 Madoc, ticket 0397. One ham and one turkey.

3rd prize - Ann Raymond of Kingston, Ticket 0811. One turkey.

4th prize - William Curtis, R.R. 1 Madoc, ticket 0001. One turkey.

Special "thank you" to Bob

Thompson of Queensborough for his generous donation of the firewood which was first prize, also to Brian McGrath of Queensborough for providing the draw tickets for this raffle.

The Pot Luck Supper held the same night was very well attended and enjoyed by all.

Proceeds from the draw are going towards restoration efforts for the Queensborough recreation hall.

## DEATH NOTICE

Something new at this year's  
Marmora Fall Fair, held Sept.  
2, 3, and 4 was a demonstration  
by members of the Marmora  
Martial Arts Club. Cory Phil-  
lips was those who showed  
their talent for breaking inch  
thick pine boards with their  
hands. Instructor Terry Flem-  
ming, of Madoc took action on  
five pine boards. Winning the  
annual Harness Races was Al  
Cassidy, of Peterborough. For  
winning the third heat, Al was  
awarded a horse cooler  
donated by Kerr Excavating,  
of Marmora. The Tractor Pull,  
was also a big success again  
this year.

# Karate classes resume in Madoc

This fall will mark the 15th year for Karate instruction in the Madoc area, specifically under the tutelage of Robert Walter. Eight individuals from the local area have reached the coveted black belt since that time and at least as many are very close to reaching that goal. Men, women and children have practised Karate for fun, sport, fitness and self defence. They've sweated extra pounds away,

gaining in both muscle and confidence.

Fall classes start again with registration on Monday, September 11th. There is a second registration on the following Monday, September 18th, for late-comers. The club practices Monday evenings; the children's class at 6 p.m. and the adult and family classes from 7 to 9 p.m. For further information on the programme call 473-4366.

# Field day for Christmas trees this weekend

The Christmas Tree Growers' Association of Ontario would like to extend a warm welcome to Christmas tree growers and the public alike to attend their annual fall field day on Saturday, September 9, 1989 in Madoc, Ontario. Registration is at 8.30 a.m. at the Madoc Municipal Buildings on Hwy 62, 8 km north of Hwy 7, and the tour buses leave shortly after 9.00 a.m. Registration includes both tour bus and lunch. Participants will visit

plantings of scotch pine, white spruce, balsam fir and Colorado blue spruce. Also included in the tour will be talks and demonstrations on hand-planting, mowing, pruning with shears and special knives and an informative session on insect and disease damage and control given by a government expert.

Please join us and share what promises to be an enjoyable day for anyone interested in Ontario's real Christmas tree industry. New members are always welcome.

For more information on the field day, contact John Clement (613)332-4394.

Why Settle for Anything Less?

## INSULATED ENTRY DOOR SYSTEMS

Galvanized, rigid steel insulated doors have compression weatherstripping to seal out wind and dust, and ensure an airtight system. An extruded aluminum, thermally broken sill protects against condensation and frost build-up. Your choice of co-ordinating side-lights, leaded glass and vented panels let sunlight and fresh air in and beauty to your entryway.

## TERRACE DOOR

The new alternative to the patio door, the Terrace Door is a steel insulated door with maintenance-free vinyl cladding. Available as a double or triple door, the operating door opens on 180 degree hinges allowing it to fold all the way back so no space is lost. A sliding screen protects against insects and full length beveled glass is available in a variety of patterns and styles to complement your home.

# A REMINDER

## New Minimum Wage

Ontario's minimum wage rates are increasing by 25 cents an hour. As of the work week in which October 1st, 1989 occurs, the general minimum wage becomes \$5.00 per hour and the rate for students under 18 increases to \$4.15 per hour.

## New Public Holiday

Beginning in 1989, December 26th (Boxing Day) becomes a public holiday with pay under the Employment Standards Act.

Ontario employees now have a right to this holiday unless they fall under certain excepted classes of worker or industry.

December 26th is the eighth paid public holiday along with New Year's Day, Good Friday, Victoria Day, Canada Day, Labour Day, Thanksgiving Day and Christmas Day.

Additional information may be obtained from the Employment Standards Branch, Ontario Ministry of Labour. The telephone number of the office serving you is listed in the blue pages of your local telephone directory.

# Sawmill's restoration project gets monetary boost

by Barry Jones  
O'Hara Mill Curator

The O'Hara Mill Museum's restoration fund for it's 1853 sawmill received a generous boost on August 27th. The Pig Roast and Family Day fundraiser drew a good sized enthusiastic crowd of supporters.

The rain held off and the events and demonstrations went smoothly. There was lots to see and do.

Joyce Williams of Lang Pioneer Village near Peterborough showed how pioneer toys functioned; you could say that Joyce's job is all play!

Glanmore House in Belleville was represented by its curator Jennifer Gilmour who organized an identification quiz "Whats' that artifact?" You could view and handle ten Victorian objects and then try to correctly name seven of them. Arne Mikkleson of Tweed won first prize, a book on the history of brewing in Ontario. Arne was at O'Hara representing the Ministry of Natural Resources. He had with him a large display on aspects of forest management.

Next to Arne was the Madoc Historical Foundation showing how old tax assessment records (1866) could provide valuable, local historical information not otherwise available. They were also selling tickets on their Madoc Fair raffle, Sept. 24, for three beautiful pieces by area artists.

There were contests too, at the O'Hara Family Day. Maria Nadeau of Roslin, Raeburn

Robinson of Eldorado and Tom Weir from Ottawa were all winners in different categories of the Nail Drive contest. Ted Wilson and Bob Laing of Plainfield and Tamworth respectively took the honours in men's pairs crosscut sawing and Catherine and David Smallwood of Thomasburg won the mixed pairs category. Catherine's right arm looked somewhat longer after she had finished.

A flawless white pine log holding its twenty inch diameter for almost the entire twelve foot length was sawn for the board foot estimate contest.

The winner, Willis McLaughlin, had the board foot estimate contest and had the boards he won delivered to his home, free of charge. Many people are fooled by the narrow cuts of the bandsaw blade and underestimated the board feet eventually cut. Peter Storrings' portable sawmill cut logs quietly and quickly and had an added feature, it cut cedar blocks into shingles as well.

Peter could go from cutting boards to shingle making in just a matter of seconds. Harold Harris' log splitter easily crunched solid maple blocks into firewood size in, two directions, forwards and backwards.

Inside the Museum's 1861 schoolhouse, Mr. Robert Clow of Richmond Hill gave a slide talk on early mills of Ontario. He illustrated how the word "mill" was once synonymous with the word "factory" for, indeed, in Upper Canada all

factories were mills.

Dick Bird, who used to operate the O'Hara Mill, returned to explain the interplay of water, penstock, pitman arm, wagonwheel and pawl. Strange terms but fascinating and ingeniously simple. He emphasized the uniqueness of the O'Hara Mill and stressed that it was, in design, a forerunner of the old Muley saw at Upper Canada Village and that standing as it does on its original site made the mill unique in North America. The value of this fact will become increasingly appreciated over the next several years. The Museum's resident blacksmith and friend, Earl Blakely, of Eldorado took everyone back to an

earlier time with the roar of his forge and the clanging of hammer on anvil.

Richard Parks of Madoc is a historic re-enactor. He walked amongst the crowd dressed in the scarlet military uniform of the Second Battalion of the King's Royal Regiment. Richard and his wife are enthusiastic supporters of the spirit of the Loyalist regiments of the 1770's. He answered questions on military tactics and the Loyalist militias and occasionally shouldered his long Brown Bess musket and let fire with a roar, a flash, and a great cloud of grey-blue smoke that made heads turn.

There were games, contests

and pony rides courtesy of Dave and Barb Peterson for the children.

The meal was roasted pig - the whole animal turning and browning on the spit, coleslaw, stuffing, baked potato, sour cream, cake and coffee. By 4:30 appetites were keen as was the suppertime conservation.

David King, the General Manager of the MRCA, the O'Hara Mill Museum board of Management and the Museum's curator Barry Jones would like to thank each and every person who attended and, in other ways, contributed to making the day such a good time and such a success for the sawmill Restoration Fund.

## Queensborough news

by Goldie Holmes  
The "Bienvenue Home" bus heads west.

Frank and Joan Fournier, Walt Lynn, six residents of the Home, Marty, Don, Steve, Chuck, Eliz, and Billy, also Frank and Joan's two children Eileen and Scott, a friend Brad Davidson and staff Stanley Parks. Thirteen in all camped for 6 weeks. Some of the sights along the way included the Calgary Stampede, Edmonton Mall, Stanley Park in Vancouver, Redwoods of California, Majave Desert and Grand Canyon. Many good times enjoyed by all.

Who says 13 is unlucky?

Goldie Holmes attended visitation for her cousin, the late Blanche Johnston of Thomasburg, in McConnell's Funeral Chapel in Madoc on Wednesday evening, August 23.

Mr. & Mrs. Greg Barnett and boys of Toronto spent the 4th week in August at their cottage here.

Mr. & Mrs. Alex Clarke and Mr. & Mrs. Mark Stevens of Deloro attended the wedding of Anthony Brian Soss and Stacey Ann Weekworth in St. Steven's Church, Oshawa on August 19th. Reception and dinner was at The Flying Dutchman Hotel. Stacey is the grand-daughter of Bernice Clarke.  
Jessie Holmes spent the

supper hour on Wednesday Aug. 23 with Mrs. Mabel Kellar in Belleville. Alex and Bernice Clarke spent the supper hour with Kelly and Mona Lucas.

Mr. and Mrs. John Rauws and three little daughters and Miss Ruth Rauws, called on Goldie Holmes on Thursday August 24th, after several days camping at Pleasant Bay, Consequo.

Mr. and Mrs. Alex Clarke spent the weekend of Aug 25th in Trenton visiting Mrs. Olive Genereaux and Mrs. Lillian Genereaux and Bud attended Lillians birthday party on Sunday to celebrate her 88th year. Mr. and Mrs. Rodney Genereaux and Jill of Oshawa provided the Birthday Cake. Her birthday was on Tuesday.

The Clarkes also called on Mrs. Cory Genereaux and baby Josh at Bayside Trailer Camp and spent the dinner hour on Sunday with Charlie and Jean Scaletta in Trenton.

Mr. Ed. Alexander is a patient in Belleville General Hospital.

Mr. and Mrs. Greg Barnett and sons of Toronto returned home on Monday after spending some time at their cottage on Black River.

Mr. Dalton Holmes of Trenton visited his mother Goldie Holmes on Sunday August 27th.

## Bonded

Bonds are issued on the stock markets by companies, banks issue bonds, and even our beloved Canadian government issues bonds. A bond is an agreement whereby I lend my money to someone else in return for interest accrued. I am issued a bond certificate which is evidence that whoever borrowed from me owes the amount I have lent them plus the agreed interest over a set term. A bond certificate is a note of debt to be paid.

As Christians we are bonded to our Savior Jesus Christ. He holds the bond certificate saying that we are indebted to God to the sum of the total of our sins, the principal will be totally forgiven. The only accrued interest owing is a life of service and love to God. Any company on the face of this earth would love to pay back just the interest if the principal would be forgiven. For that matter, any individual would jump at the chance to receive such an offer. Salvation strangely enough is such an offer.

People often regard Christians with a puzzled spirit. Christians are always living their lives to honor their Savior. To the average person this is an atrocity. Yet, the average person fails to realize the sense of gratitude a Christian has for God's forgiveness. Besides that, the average man fails to see the debt each of us has accrued because of our sin. We talk about the Third World debt and the accumulating national debt here in Canada, but neither of them compares to having to pay for your sins with your life. In the financial realm debt is just a piece of paper or an electronic transfer. In the spiritual realm debt is an issue of where you will spend eternity.

Oswald Chambers has said, "The great motive and inspiration of service is not that God has saved and sanctified me, or healed me; all that is a fact, but the great motive of service is the realization that every bit of my life that is of value I owe to Redemption; therefore I am a bondsman of Jesus."

In the Old Testament, those who incurred a debt and could not pay it were enslaved until such a time as they could work off their debts or a family member came along and paid the debt.

Now and then, a slave that had been freed by either having his debt paid by his work or his family would choose to become a voluntary slave of his master. Now this only happened when the slave had been treated fairly and kindly by his master. If this had happened the slave would become what was known as a bondsman. As Christians we realize that we were once

enslaved by our sin. The debt we had could never be worked off. But, a friend, in the person of Jesus Christ, paid our debt in full and we have voluntarily bonded ourselves to be God's slaves and to obey Him.

God has asked us to obey Him in light of the forgiveness He has given us. He will never force us to do this. His wish is that our lives would be a free offering motivated by love.

Have you bonded yourself to Him today? Consider the debt that has been forgiven and how loving your Heavenly Father is.

## What came first?

The egg?

The duck?

In some key places, Ducks Unlimited Canada and other conservationists have been coming first. For more than 50 years we've been building, improving and managing the wetlands and uplands where ducks can hatch and grow, areas that are essential to hundreds of other living things, including people. We've been in the forefront because we know what really must come first...

## A Healthy Environment

## DEATH NOTICE

CLIFF, Roy of Queensboro (retiree of GMC, Oshawa, Ont.). Peacefully at the Belleville General Hospital on Sunday, September 3, 1989 of complications of Diabetes. Predeceased by his parents, Iva & Karl Cliff of Oshawa. Loving brother of the late Marshall Cliff & brother-in-law of Iris Cliff of Wellington, Ontario. Uncle to Patricia & Marilyn of Bowmanville & William of Gatineau, Quebec. Dear friend of Percy & Marlene Evans & family of Tweed, Bill Holgate & Harold Ramsay & families of Queensboro.

Resting at the John R. Bush Funeral Home, 80 Highland Avenue, Belleville. At the request of the family, there will be no visitation. Cremation followed by private service at the family farm.

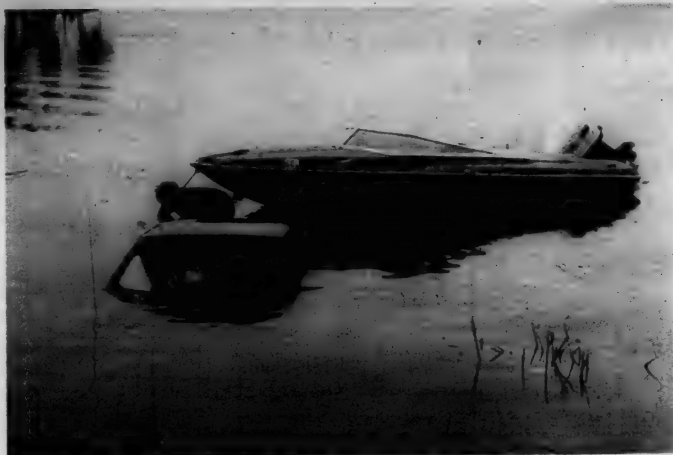

photo by Ed Guinn

*They just don't make them like they used to*

A Toronto man who owns a cottage on Moira Lake captured this photo a few weeks ago of a local resident in a bit of trouble. Apparently the car was of a standard technique and the weight of the boat got the better of it.

## \$2500 netted in Marmora shoplifting spree

Madoc OPP have charged a young offender with 15 criminal charges stemming from an investigation in which several Marmora businesses were victims of thefts and break-ins

this summer.

The charges include Break, Enter and Theft, Possession of Stolen Property and attempted thefts. The police recovered approximately \$2,500 worth of

stolen property.

The youth, who cannot be identified under the Young Offenders Act is to appear in Family Court on Oct. 24.

## Armed robbery charges

Havelock - The Peterborough OPP's canine unit wasted no time at all tracking down three young offenders who held up the Mac's Milk convenience store in Havelock early Tuesday morning.

Three local male youths, 15, 16 and 17 years of age, were arrested and charged with armed robbery and using a firearm while committing a criminal offence, Campbellford OPP said.

Two of the young offenders entered the convenience store around 4:45 am Tuesday morning, police say, with one of the youths brandishing a .22 calibre sawed-off shotgun gun at a lone female store clerk while the other one took an undisclosed amount of money from the cash register till.

They fled in a car driven by the third youth.

The canine unit easily tracked the suspects to a village residence at 6:30 am where they surrendered without incident, police said.

The Young Offenders Act prohibits the identification of the three suspects who will appear in Peterborough youth court on September.

The three young offenders were released in the custody of their parents.

## Man jailed six months for break-ins

A Norwood man has been sentenced to six months in jail after pleading guilty to two break-ins committed August 28 in Indian River and Norwood.

Eighteen-year-old Brendan Brannigan, of no fixed address, pleaded guilty in Peterborough provincial court Wednesday to the charges that were laid shortly after the early Monday morning burglary spree in Indian River and the village.

Brannigan and Daryl Leblanc, 19, of Norwood, were arrested shortly after breaking into the Country Kitchen Restaurant in Indian River where they stole \$152 in cash, seven cartons of cigarettes, Lottario tickets and two jars of change.

A witness reported the break-in at 1:04 am after seeing the two suspects leave the restaurant in a car, Peterborough OPP said.

The car was later stopped on the Third Line of Smith Township.

The pair had earlier broken into one of the portable classrooms at St. Paul's School in Norwood where they stole a personal computer, Peterborough OPP reported.

The stolen items were found in the car which police say belonged to Leblanc.

In handing down the six month sentence, provincial court judge, R. B. Batten cited Brannigan's criminal record which included one other conviction for break, enter and theft; an assault causing bodily harm; probationary breaches and other thefts.

Leblanc also pleaded guilty to the two break-in charges and will be sentenced September 26.

He was released while awaiting sentencing.

99th Marmora Fall Fair

## Demolition Derby a SMASH

After the dust settled at the 1989 Marmora Fall Fair demolition derby the winner was Bob Bennett, of Campbellford. The biggest crowd ever was out to see this year's smash 'em and crash 'em show. The three-day event, held Sept. 2, 3 and 4 usually sees rain at least once over the weekend, but this year the weather was just fine. Every aspect of the fair was well attended. Winners from the ladies division draw were: V. Thomson, of Marmora (Folk Art Clock); M. Parkin, of Marmora (hand knit sweater); and M. Howie, of Havelock (a basket of goodies).

For a number of years P.U.S.H. East has been a strong organization in eastern Ontario. P.U.S.H. stands for People United for Self-Help, and is the only cross-disability organization in Ontario.

On Saturday, September 9, 1989 P.U.S.H. welcomes area residents to come to ARC Industries for a meeting, 9.30 a.m. to 4.00 p.m.

The More Able Than Disabled Club will be there and other communities are most welcome.

The Board Meeting is at 9.30 a.m. There will be eight Board members and they will present the latest provincial happenings in employment and housing. Developments, nationally and internationally will be discussed.

In the afternoon, problems of the local area will be discussed. It would be most important for local people to present their local concerns for the handicapped.

The annual P.U.S.H. Provincial Meeting was held in June.

Please come, not only for yourself, but for those who are unable to come to the meeting, and you'll be able to help them. Wouldn't that be wonderful?

#### REPORT FOR PETERBOROUGH AREA

by Fred Jones, Chairman of P.U.S.H. Central Region

P.U.S.H. is registered with the Peterborough Information Bureau. We are starting to get quite a few calls.

Crestwood Secondary School pupils did a paper about legislation and services for the disabled. We supplied their information.

Letters were sent to Bill Cameron of the Neil Simon

## More Able Than Disabled by Barbara Pealow

P.U.S.H. East  
comes to Campbellford

Foundation: Prime Minister Brian Mulroney and M.P. Gerry Weiner, concerning economics and lack of funding, even the lack of moral and expressed support to the disabled communities. The Neil Simon Foundation is a funding organization that sponsors differently able persons who are taking computer courses at any specialized facility across Canada.

We are concerned about the segregation of differently able children in schools in some areas, and have written letters expressing this concern. In reply to these letters, the Minister of Education said his Department urges and supports, through funding, local school boards to provide ramps etc. and that the decision to comply with the provisions is at the discretion of the boards. It was pointed out, the reason disabled children are not usually included in regular school, is that the parents of the children are influenced by their doctor's opinion and insist on special schooling apparatuses.

We would like to mention the article "Thinking of Shelter

Workshops" which appeared in the winter 88/89 issue of Compass. It was written by our secretary Lew Blancher.

Sam Savona brought to the attention of our board, the marked and perhaps deliberate, oversight demonstrated by television station CITY's new public service gimmick, "Public Speaking Box". He had written to the station's public relations office, pointing out the lack of accessibility to the disabled community. We sent a letter from P.U.S.H. Central representing our group. We simply reminded them that the disabled community makes up a great part of their transmitting area, and that they of all people should be aware of the accessibility problems of the disabled when planning something like this. We are awaiting a reply.

We would like to thank everyone who attended and took part in the "March on Poverty" last May. This was about the Sark and Thompson Reports.

Most physicians in Peterborough, when constructing a new facility, are asking advice from their disabled patients regarding accessibility. Disabled Awareness is Working!

#### RECIPES

I never even get a sniff of this wine without visions of old ladies in lace, chatting and rocking while sipping and sewing. Pale lavender-blue in colour and just sweet enough, but with a bite, just the way I like little old ladies to be. They often pour a small crystal glass of elderberry wine, sit in a rocker and dream of the time. Just rock, sew and sip. More often, though, they serve it to drop-in company in small cut-glass fruit juice glasses,

accompanied by a hot buttered nut or a slice of fruit bread. This is the type of homemade wine our grandmothers used medicinally for many an ailment.

**ELDERBERRY WINE**  
2 quarts elderberries, stripped from stems  
4 quarts water  
4 cups sugar  
1 piece of a root of dried ginger, cut or broken up (bulk stores)  
1 tsp whole cloves  
2 envelopes dry yeast or 2 cakes of fresh yeast  
Combine elderberries, water, sugar, ginger root and cloves in a preserving kettle, bring to a boil, lower heat, cover and let simmer for half an hour.

strain liquid into a 2 gallon crock. let cool

Add yeast and stir. Let mixture rest for 2 days, lightly covered with cloth.

after 2 days, skim off any foam that has formed. Pour into a demijohn or a small necked bottle, cover with cheesecloth and leave in a cool place until there is no hissing sound coming from the wine, about 2 weeks.

Put an airtight stopper in the jug or bottle and let the wine mature for at least 2 months before using.

If desired, line a funnel with filter paper and filter wine into a smaller bottle, or just decant carefully without filtering. Cork lightly for storage. Makes about 1 gallon.

#### SMILE

An auction is a place, if you're careful, you'll get something for nodding.

#### REMINDER

Don't forget the CPA meeting on Wednesday, September 13, 1989 at 1.30 p.m. at the Belleville Public Station. For more information call Connie Burns at 969-8465, Belleville.

CHOW! SEE YOU NEXT WEEK.

## September 23 Hazardous waste collection day

By Richard Grey

Norwood - Your "Home Sweet Home" may well be a dangerous place.

There is a long list of household products that are commonly used which, if exposed to children or the environment, can become very harmful. It is the wish of the Ontario Ministry of the Environment to reduce the risk of exposure to people and the environment by making it easier to safely dispose of your household hazardous waste.

That is why on Saturday, September 23, Peterborough County will be having its first ever Hazardous Waste Day. The temporary collection site will be the field in front of the Morrow Park Grandstand in Peterborough.

The firm of Tricil Environmental Management of St. Catharines will look after the safe disposal of those no-longer-needed hazardous products at no charge to households.

What is the definition of a hazardous waste?

The strict definition is any material which no longer

serves a purpose and which requires special handling to prevent damage to people, property or the environment.

What hazardous products are in the house?

\* any product that has any of these symbols on it.

\* the same product stored in containers other than what they were sold in; i.e. paint thinner in a soup can with a brush.

\* many older containers do not have these symbols, including:

All lead-based paints and paint removers; metal cleaners; anti-freeze; solvents; radiator flush; nail polish

# OPP report

19

Campbellford O.P.P. were very busy over the past week investigating numerous break and enters and vehicle accidents.

A break and enter occurred at MacMillan's Discount Store, in Campbellford, at approx. 3 a.m. Entry was gained through the rear of the storage building. An unknown quantity of store goods was stolen. The investigation is continuing.

Ian CRAIGON, of the Philmar subdivision near Crowe River had property stolen when his home was broken into on August 29. Stolen property included: a 4" colour T.V. (Simpsons) in a black plastic case; a 14" black and white T.V. (woodgrain sides and top), a Kenmore microwave oven, woodgrain with wire mesh in the glass, size 20" x 16" x 14". The investigation continues.

Also on August 29, a break and enter took place at the residence of Ruby MULVANEY, of Trent River, Ont. Nothing was stolen. A charge of break & enter with intent is pending against a female, also of the Trent River area.

Cornelia Deary, of R.R. 2 Hastings reported a break and enter, on Wednesday August 30. Stolen property included a Realistic satellite dish receiver, descrambler and activator, a Beta VCR, a VHS-VCR (Panasonic, pine with a black front), a stereo, an equalizer, a CD player, a Panasonic tape recorder, a Sansui turntable (silver) and a pair of men's black shoes. The investigation is continuing.

On Saturday, Sept. 3, a theft of a Model C33 Sanyo stereo, was reported by David Durrell of R.R. 3 Havelock. A charge of theft is pending against a youthful offender.

Shirley NOBLE, of Campbellford, reported the theft of her car battery (Delco) on September 3, value is approx \$120.00.

A hand winch and cable was reported stolen from the farm of James Coney, on Sept. 4, Value \$200.00.

Campbellford OPP request the public's assistance in identifying a red and white baseball cap with the logo "I survived 1987 Bruvold Reunion". This cap was worn by a suspect in the commission of a crime in the Campbellford area. Any information regarding this cap, logo or suspect can be communicated to Campbellford OPP, 653-3300. Any information will be confidential.

On Monday, Sept. 4, at approx. 12.55 p.m. a hit and run motor vehicle accident occurred on Hwy 7 at the Belmont Twps Con. 11 sideroad. The westbound 1985 Chev. driven by Ray Steel of Stouffville, Ont., towing a house trailer met an eastbound vehicle which crossed over the centre line and struck the side mirror of the Steel vehicle. The second vehicle fled the scene. Both the Steel vehicle and the trailer sustained light damage. No injuries were sustained in the accident.

The mailbox of Bill and Carol Brett of R.R. 2 Norwood.

was stolen on Aug. 29. The mailbox is a new silver box with a white plastic door.

On August 30, at approximately 7.10 a.m. a 1979

Mercury Monarch driven by Kevin Rowsell of Campbellford was westbound on Hwy 30 when it came upon a GMC pickup truck, driven by

Raymond Boxell, also of Campbellford. In an effort to avoid rear-ending the Boxell vehicle, Rowsell lost control of his vehicle and entered the

ditch. Moderate damage was done to the Rowsell vehicle, none to the Boxell vehicle. There were no injuries sustained.

PHOTO BILL FREEMAN

Behind the scenes: Norwood High School teacher, Janie Kelly, stacks some parcels of paper last week. Janie and others at the school were busy preparing for yet another joyful first week at school wondering all the while, we're

sure, where their holidays had gone. Janie is also busy with plans for NDHS's involvement in the annual Terry Fox Run. This year it takes place September 18. The nation-wide run will be held September 17. Do your part, and make a pledge.

## Going 114 m.p.h. is just a hobby?

Steve Redden and his muscle car

by Brian Carruthers

Steve Redden is a young man who has a wife and a child and on most days he found selling appliances at Redden's Radio and T.V. on Queen St. in Campbellford. But on his own time you might find him under the hood of a 1960's high performance automobile, better

known as a muscle car.

Steve loves to restore old cars. His idea of an old car is one that was built in the 1950's, 60's or 70's. He is not interested in restoring an 1935 Bentley or other similar cars of that era.

On the Labour day weekend, Steve along with some of his friends hosted a gathering they

call a street meet. That is where a bunch of people who enjoy restoring cars get together to show off their cars, and meet with people who have the same goal and maybe get some ideas from others or teach another something about car restoration. There are no prizes, the meet is strictly for show.

Some of the cars are fixed up by their owners for the joy of restoring them and yet others like Steve's car was restored and is now also used for racing. That was one of the attractions for Steve in restoring this type of vehicle. These cars were in fact originally built for performance (speed).

Steve races in quarter mile drags in stock cars at the quarter mile track at Shannonville racing complex.

As Steve says, "Racing is just a hobby for me. I race for the thrill of it and the exhilaration that I get. I go about 113 or 114 miles an hour."

He races for points at Shannonville and as of the time this article was written he was tied for first place.

He then continued about the show that took place on the weekend, "Some of the people

# Setting up your own home business

Although operating a business from your home involves different considerations than establishing yourself in a downtown office or business park, the key components are the same. You must build a system that will ensure that you do business in an efficient and profitable manner, and more, importantly, you should have a well thought-out business plan in place.

"A business plan is absolutely critical," says Wayne Tunney, a partner with Peat Marwick chartered accountants in Toronto. "With it you decide what you want to achieve, what it will cost to get your business up and running, what your goals and objectives are and where you plan to be six, eight, 12 months down the road." You should also update it periodically since the business environment is constantly changing.

To properly create a plan, itemize how many clients

you'll be able to satisfy once you get going; identify problems you envision and decide how you'll deal with them; estimate how much money you expect to earn; and how you'll cope with changes as your business evolves. Will you always be a one-person show? Or will you hire someone to, say, do typing or work with computers?

Formally write down your business plan, Tunney adds. Not only is it a must if you eventually want to borrow money, but it crystallizes a concept that may only exist in your mind. "A bank manager is going to be impressed if you've given a lot of thought to how you'll conduct your business and when you can repay the loan," he says. "Writing it down also forces you to put on paper what you've been thinking and what you can do to make it happen."

"Work out a feasibility study. See if the market really

is there," advises Wendy Priesnitz, national coordinator of the Home Business Market Network, in Unionville. "Emotionally-based ideas must be changed and fine-tuned before you start."

An important consideration she sees is pricing. Too often microbusinesses price services too low because they don't have a huge overhead, not realizing that in the future they may have to hire others to help them. A self-defeating strategy is to start off with a cheap figure and then stick with it. Your price should reflect the market value of the service you provide.

The next step is to decide which record keeping system to use and what office equipment to get.

The worst thing to get involved in is an elaborate record keeping system. "People tend to buy computers just because they're in business," says Priesnitz, "but you

don't need one unless you're doing bookkeeping yourself. A small notebook in which you note revenues and expenses can usually serve as you're entire bookkeeping system."

Another necessity is a well-lit office which includes a filing cabinet. A telephone answering machine or an answering service to take your calls when you're not in is another "must."

Some people buy a fax machine, a photocopier and a computer when they set up shop. Although Tunney points out that these can cost only a few thousand dollars in total, that may be an unnecessary expense if you can use the service elsewhere. "I have an arrangement with a business publication I do work for," explains Priesnitz, "that allows me to use their photocopier and fax."

"I don't get the business. I don't get the idea of how I can't be any good."

## Hazardous waste collection day

Cont'd from page 2

removers; batteries of all shapes and sizes; lye; toilet cleaners; spot removers; drain cleaners; wood fillers and putty; wood preservatives; asbestos cloth and fireproofing and insulation; herbicides and pesticides; driveway degreasers; old ammunition and fireworks; rat poison; bleach and pool chemicals and some disinfectants.

\* all out-dated medicines.

\* any product that says "keep out of reach of children" on it.

\* disposable propane cylinders and 10-year-old propane tanks.

I am a saver and hate to discard anything that might come in handy, so after a quick check I found 26 containers of

hazardous products -- without counting my family's asthma medicines.

Most of this dangerous junk I will never need, like my dog's flea powder because I now use fresh cedar shavings for her kennel and she loves it, has no fleas and smells great. It is also more environmentally sound to use waste cedar shavings than to use a pesticide on family pets!

There are a number of ways to reduce or eliminate the use of some hazardous household products.

Like my cedar shavings to eliminate flea powder and flea collars.

I have a list of 15 other helpful hints to reduce your dependence on hazardous products. I would like you to send in your suggestions (care of this newspaper) to substi-

tute a safer product for a hazardous product.

We will print all of your good ideas plus the additional list of alternatives.

## Kerstin

Cont'd from page 3

though she has never been involved in anything quite like this.

She said she is not worried about the public speaking aspect of the contest.

Kerstin is active in a number of high school activities ranging from intramural and interschool sports to the yearbook committee and the school band.

Kerstin has her sights set very clearly on a degree in Wildlife Biology at Guelph University and wants to become involved in saving endangered species.

This, she says, is something she has thought about since grade eight.

Kerstin is spending the summer working with the Ontario Ministry of the Environment's Environmental Youth Corp.

## Introducing A Deal That Will Make A Believer Out Of You.

Take delivery of a new Polaris snowmobile before October 1, and we'll give you \$300 worth of free Polaris clothes and accessories.

Make sure you hurry, though, because after October 1, the offer goes down to \$200.

After November 1, it's \$100.

And after November 30, it disappears.

So come check out all sixteen Polaris sleds, from the legendary Indy 650 to the all-new

Widetrak, a real workhorse featuring a 20-inch track.

Ask about StarCard, and our \$149

extended warranty. We'll make a believer out of you.

**CARD  
OF THANKS**

**THE** Family of the late  
Robert Woods would like to  
give their sincere thanks to  
the relatives, friends and  
neighbours for their support  
at the loss of a dear  
husband, father and grand-  
father. Special thanks to Drs.  
MacLeod & Henderson, the  
staff at Campbellford  
Memorial Hospital, the Royal  
Canadian Legion Branch 389  
and Ladies Auxiliary. Special  
thanks to Father Garvey &  
Brett Funeral Home. Elsie  
Woods, Jim & Cathy.

**THE** Family of the late  
Margaret Cook would like to  
say a special thanks to the  
relatives, friends and neigh-  
bours for your help and  
support during our recent  
loss of a dear wife and  
stepmother. The cards, flow-  
ers and donations were  
most appreciated. Thanks  
also to Brett's Funeral  
Chapel for your help and  
kindness. Rev. James Arm-  
strong for your comforting  
words and the Rebelk  
Lodge for the lovely lunch.  
Thank you all. Arthur Cook  
and family.

**I** WISH To thank friends,  
neighbours and relatives for  
calls, cards, flowers and  
visits while I was a patient in  
B.G.H. Special thanks to  
Cooper Remedial W.I., Drs.  
Derry and Kuebler, nurses  
and staff & ambulance attend-  
ants for all your care and  
concern. Bill Roberts

**I** Would like to thank my  
relatives and friends who  
were present for my 90th  
birthday. The cards and  
presents were lovely. God  
bless and thank you all. Leo  
J. Foley.

# Going 114 m.p.h. is just a hobby?

Cont'd from page 6  
here restore their cars just for show. They don't race them. Parts are very expensive because they are getting rarer and they're afraid if they blow their engine they won't be able to replace it. It is also very expensive to race. We use avfuel (aviation fuels) and it sells for about \$30 for five gallons."

One of the people who restored his car is Glenn Cole of Brighton who restored a Daytona Charger a car that is very rare. According to Mr. Cole, it is one of only 17 cars of

this make ever made and the only one that ever was shipped to Canada. He drives it from

time to time but never, ever races it.

Find out how to make your work place more accessible to the Deaf employee. Call the Canadian Hearing Society at 416-964-6995, or write to us at: 271 Spadina Road, Toronto, Ontario M5R 2V3

## MEMORIALS

MARTIN, Leonard (Jack) - In loving memory of a dear brother-in-law who passed away September 4, 1980. Thoughts today. Memories forever. Ever remembered, Martha (Toots).

QUACKENBUSH - In loving memory of mother and grandmother, Hannah Mary, who passed away September 8, 1988. She has gone to rest, her troubles are over. She is done with all sickness and pain.

The life of this which she nobly bore. Will never distress her again. If prospect softly sleeping. Till her Saviour calls her forth.

Lies the one we love so dearly. In her peaceful silent grave. A year is past and gone. And yet we can't forget. Her welcome smile, her loving face.

No one on earth can take her place. Lovingly remembered - by Everett, Helen and family.

## MEMORIALS

ELLIS - In loving memory of a dear mother and father, grandparents and great grandparents, Lila who passed away September 3, 1982, Charlie on December 7, 1972.

Always so good, unselfish and kind. Few on this earth their equal we find.

Honorable and upright in all their ways. Loyal and true to the end of their days. Always loved and missed day by day. Bernice & family.

ELMHIRST - In loving memory of a dear grandpa & great grandpa, Frank, who passed away August 30, 1988.

Softly the leaves of memory fall. Gently I gather & treasure them all. Some may forget, now that you're gone.

We will remember no matter how long. You left a place no one could fill.

We miss you, Grandpa & always will. Loved & remembered always by Donna, Gerry, Dawn Lynn & Jeffrey.

ELMHIRST, Frank - In loving memory of a dear Dad who passed away August 30th, 1988.

Peaceful be thy rest, dear Father. It is sweet to breathe thy name.

As in life we loved you dearly. So in death we do the same. Sadly missed by Don, Dora and family.

Leanne Phillips is the 1989/90 Madoc Fair Queen as chosen last Thursday night during the Fair Queen Competition at CHSS. Leanne will represent Madoc at various fairs, conventions and other happenings throughout the Quinte area for the next year. Leanne lives in Huntingdon Township and was sponsored by the Madoc Women's Institute.

More on Leanne in next week's Madoc Review.

## Beavers, Cubs and Scouts can register next Wednesday

by Janice Pinke

Registration for Beavers, Cubs and Scouts will take place next Wednesday, September 20th, in the gym of the Madoc public school from 6:30-8 p.m.

Madoc had been without these programs for two years and last year the boys' clubs didn't get started until January due to lack of numbers. However, when it did get going last January there were over thirty boys who registered.

A group of concerned parents got together to re-start the three levels last January because they didn't want their youngsters on the streets or in the arcades says parent and organizer Bill Allen.

The three programs run concurrently every Wednesday night at Madoc's public school from 6:30-8 p.m. starting September 27th.

To register organizers ask that you bring with you the name, address and phone number of your family doctor, your OHIP number and any allergies or medical conditions which need to be noted.

Registration fees are \$21 which covers the whole year straight through until next summer.

Beavers is for boys ages 5 to 7, Cubs is for ages 8 to 10 years and Scouts is for young men

ages 11 to 14 years.

In June there is a Beavers/Cubs camp held for the entire district at Vanderwater Park, Thomasburg, which the Madoc chapter will attend.

## Canadian Tire managers heading for Winnipeg

by Janice Pinke

Neil Sulkers and his wife Jan will be leaving Madoc and their jobs as managers of Madoc's Canadian Tire store probably in January says Neil.

The move means that Neil and Jan will be taking over the operations of another Canadian Tire store in Winnipeg which has wheelchair access. Jan is in a wheelchair and currently unable to work at Madoc's store because of lack of wheelchair access.

"We really didn't want to

leave Madoc" says Neil. The store the couple will be taking over has a considerably larger volume than the Madoc store.

Neil wanted to stay long enough to see a larger store opened here in Madoc, possibly at highways 7 and 62. He hopes the new manager will pursue this idea.

Madoc's Canadian Tire store is a training store for the corporation. There are four trainees currently being considered for Madoc's store.

1989-90 Fair Queen

## Over 100 people attend open house for all new dance classes

by Janice Pinke

Last Tuesday's open house for the all new dance classes was in fact a full house with over 100 people attending.

Organizer Linda Grey was overwhelmed with the response and says with excitement, that she never expected so many people to come out.

In all there are thirteen classes; most of which are fully booked. Some classes will have to be separated due to the demand for the jazz, tap and ballet classes.

Classes begin Saturday, September 16th and will

continue every Saturday at Madoc's Anglican church, except for the dancersize classes which will be held every Wednesday night at the Madoc Township Rec Hall. Linda Grey's efforts to acquire a hall for the dancersize classes in Madoc were futile.

The Wednesday night classes cost \$30 for ten weeks and begin at 7 p.m. for one hour.

No adult classes have been organized due to lack of numbers.

For more information call Linda at 473-4696.

## 2001 graduates!

School's back! An interesting note to note is that this JK

class at Madoc's public school, for 1989, will graduate from high school in the year 2001. and in fact all JK youngsters

## Closed meeting before open meeting for Moira Lake property owners

by Janice Pinke

Moira Lake property owners will get the chance to speak out at a meeting regarding their lake probably this year says Ken Joyce but first according to Huntingdon Township's clerk-treasurer Bonnie Jones, a closed meeting has been arranged.

Huntingdon Township's Reeve Owen Ketcheson, Madoc Village's Reeve Tom Deline, Randy Berry (President of the Moira Lake Property Owners Association) and representatives from the MOE, the MRCA and the MNR will gather on a date, not to be released, to discuss Randy Berry's informative report on the poor condition of Moira Lake. Mr. Berry presented his report to Huntingdon Township council at their regular meeting August 9th.

The purpose of the meeting is to discuss possible solutions for the cleaning up of the lake and what kinds of government assistance is available for this procedure. One thing is for sure says Ken Joyce, President of the newly formed Moira Lake Property Owners Association Water Weed Control Committee, is that funding to clean up the lake will have to be shared between the property owners and the government.

Sixty-five million gallons of effluent was released into Moira Lake from the Madoc lagoon in the spring and

another flushing is planned for November.

Possible solutions include the construction of another lagoon for the Village thus reducing the number of times the lagoon is flushed annually from two to one.

Ken Joyce has been in touch with an Oakville company called Aquamate who specialize in cleaning up lakes and Ken says "they are coming to take a look at ours."

## First meeting for Kiwanis Club

by Janice Pinke

The first general meeting of the Madoc Kiwanis Club was held last Wednesday, September 16th at the Kiwanis Centre. The incoming executive was present and set a date for later this month to be sworn in.

Last year marked the 40th anniversary of the Madoc club which puts alot of time and effort into our community.

Discussed Wednesday was the possibility of establishing additional committees to assist and expand the club.

The 'Big K' as members refer to it, holds an executive meeting every Wednesday night at 7 p.m.

It's the Mr. & Mrs. this year. Every time you purchased either of the bears, one dollar will be donated by the Sted-

man's stores to the Muscular Dystrophy Association. The bears only cost \$9.97 each and make a great Christmas gift.

Stedman's employees (1) and Tammy have doing their part trying them to the store's cus-

## Legion week in Ontario starts this coming Sunday

The week of Sept. 17-23 has been designated as Legion Week throughout Ontario and it is the intention of the Marmora Legion, Br. 237 to make itself and its activities better known to the people of Marmora and the surrounding area.

When the Royal Canadian Legion was first formed, its main purpose was to look out for the welfare of Canada's veterans of World War I and the Boer War. At that time, veterans were very much in need of a champion.

After two more wars, World War II and the Korean War, the number of veterans increased and the Legion, its membership greatly increased, continued in the role of looking out for the fair treatment of veterans.

It is now 40 years since the last great war and the Legion

has changed greatly. Canadian veterans are as well or better treated than those in any other country, although there are still injustices to be corrected.

The number of veterans is inevitably decreasing and in order to maintain the Legion as a viable organization, family members of veterans are invited to join and carry on the work.

The "work" of the Legion has also changed over the years. As the veterans became more financially stable, the Legion was able to direct more attention to others in the community who were in need of assistance. Now the Legion is proud and happy to take a prominent place in the ranks of service organizations such as the Lion's, Rotary, Kiwanis, etc., in working for the betterment of the community.

Canada went to war on September 11th, 1939. This old newspaper is owned by a resi-

dent in Madoc Township and inside are old pictures depicting Canada's efforts in WWII.

Legion's like ours on St. Lawrence St. east were formed

by veterans who returned from the war overseas.

## Chainsaw massacre for locals only at fair

by Janice Pinke

Madoc's 84th annual agricultural fair is less than two weeks away and everything is "going well" according to fair board member John Hastings.

However John wants everyone to know about an all amateur chainsaw contest organized solely for locals.

The contest, which begins at 2 p.m. on the Sunday (September 24th), is open to both men and women with good cash prized being offered. Details as to what events will be scheduled in the contest have not yet been finalized in this first-ever chainsaw contest organized purely for local contestants only. Organizers want only local participation! Enter

on the day of the contest or preferably earlier by calling John Hastings at 473-4927.

Nearing completion at the Madoc fairgrounds is a new show ring funded by the fair board. It's construction will allow for the expanded horse events at this year's fair which includes another first-ever at Madoc's fair; a horse jumping competition on Saturday.

There is also now two complete horse shows on Sunday for Arabian and non-Arabian horses. Popular demand was recognized as the need for increased horse events.

Plan on attending the 84th annual Madoc Agricultural Fair, September 22-24.

Enjoy Co-op

## Don't throw away those children's books

by Janice Pinke

Dr. Dosaj is making a final appeal for children's story book before he sends them off to Kenya in Africa.

Dr. Dosaj made an appeal in this newspaper a few months ago for the same and according to his wife Diane, "the response has been good".

Back in February of this year the Dosaj family visited Africa and visited an all boys school for orphaned boys where Dr. Dosaj's father once taught. While there our doctor questioned what he could do from this end and the answer

was "children's story books".

Any donations of the above-noted, that you may have, can be dropped off at Dr. Dosaj's office in Madoc or Marmora.

Plans and Specifications may be viewed at Kingston Construction Association, Kingston, Ontario and at Quinte Construction Association, Belleville, Ontario.

The lowest or any tender not necessarily accepted.

Included in last Thursday's Fair Queen competition was an exciting fashion show including apparel from the Madoc business community. This outfit was provided by Today's Girl.

These two youngsters were a part of the fashion show held in conjunction with the Fair Queen contest in Madoc last Thursday evening. The flower girl's dress was made of material purchased at Stickwood's of Madoc. The youngsters attended the Brook-Franks wedding this past summer. Leanne Phillips of Huntingdon Township was crowned this year's Madoc Fair Queen.

## Teacher needed for Madoc nursery school

by Janice Pinke

As seen here on page two of last week's Madoc Review, Madoc's nursery school commenced after a break for the summer holidays.

Thirteen youngsters between the ages of two and four years are enrolled in the school which now has no teacher.

The school needs a teacher now. So if you hold an ECE certificate or you have background experience with young children, Madoc's nursery

school is for you.

This is a paying position. Nursery classes are held Tuesday's and Thursday's from 9-11:30 a.m. at the St. Peter's Presbyterian church, Madoc. Interested persons should contact Alison Woollacott at 473-5333.

Any interested parents wanting to enroll their girl or boy in a class which offers games, crafts and trips should contact Debbie Whiteman at 473-2490.

## Not all commercial dumping fees have been rescinded

by Janice Pinke

Not all commercial dumping fees have been rescinded says Madoc Landfill Site Co-

ordinator Grant Smith, only the \$250 fee for Madoc Cash and Carry.

Three Village businesses are still required to pay the fee; Canadian Tire, Madoc's IGA and the Madoc Co-op.

Neil Sulkers, manager of Madoc's Canadian Tire store says that recently he reduced his delivery to the dump with help from a Stirling man who collects his cardboard (the bulk of his waste) for recycling.

Neil says he paid the \$250 because he didn't want to be denied access to the dump. When asked if he was going to approach council regarding the fee, he replied "it doesn't seem it would do any good". "Council" seems anti-business.

## You will be fined!

by Janice Pinke

You will be fined for trespassing if you are caught entering the Madoc Landfill Site when it is closed.

At the last regular meeting of Village council (Aug. 29) it was revealed that people have been utilizing the dump on off days.

Landfill Site Co-ordinator Grant Smith says he is unsure how people are getting into the dump, adding that there is just not the money to utilize the manpower to watch the dump.

For now Grant is changing the locks and getting new keys.

Madoc's landfill site is open from 9 a.m. to 4 p.m., Mondays, Wednesdays and Saturdays.

## HOMEMAKERS Required in Stirling, Madoc, Marmora Frankford and surrounding areas.

## Springbrook Bantam D's capture OASA title

The Springbrook Bantam "D" entry in the O.A.S.A. Tournament this past weekend in Dundalk came home with the Championship. The team is sponsored by Harold Cheese south of Springbrook.

In their opening game against Wingham, the team scored 5 runs on 6 hits, and 1 walk. Jaimie Morten scored twice with Troy Trotter, Pat Graham and Chad Milne adding singles. Both of Wingham's runs came in the seventh. Marty Shaw was on the mound for the victory, serving up two hits, one walk and 7 strike-outs in the game.

Second game saw them play the host team of Dundalk. Dundalk scored their only run in the first and then saw Springbrook add nine for a final of 9-1. Trevor Torrence pitched the victory giving up one run on 5 hits, 0 walks and 12 strike-outs. Springbrook's runs

were scored by Pat Graham, Aaron Beals and Greg Zajek with two each. Singles were added by Trevor Torrence, Chad Milne and Nica Clancy.

Early Sunday morning the Springbrook team met Wellington, a team that was favored to win the Championship. But Springbrook left little doubt as to the better team that game, as they scored another 9-1 victory. Scoring 2 runs in the fourth, one in the fifth, two more in sixth and adding three in the seventh. Nica Clancy and Mike Shannon scored twice and Troy Trotter, Trevor Torrence, Marty Shaw, Greg Zajek and Aaron Beals added singles. Marty Shaw was on the mound giving up one run on three hits, 5 strike outs and 0 walks.

Going into game 4 undefeated, all the boys needed was one more run but it was not to be as the boys lost a 1-0

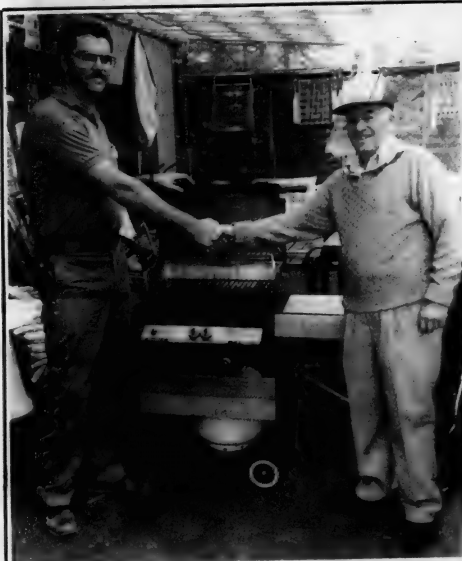

decision to Shakespeare. It was an excellent game of softball which saw only 5 extra batters for Shakespeare and three for Springbrook. Both teams had 4 hits. The difference being in Shakespeare putting together a single and a triple in the second inning to produce the games only run. Marty Shaw was on the mound for the loss.

Going into the Championship game after a brief rest the boys again found themselves in another tight game. Springbrook scored in the second when Troy Trotter reached safely on an infield hit, he advanced to second on a walk to Ian Ketcheson, and then to third on a bunt by Marty Shaw. This left bases loaded when Aaron Beals flew out to centre field to score Troy. This run held up as the only run in the game until the bottom of the fifth when Springbrook added three more. Aaron Beals walked and scored on a single by Nica Clancy. Jaimie Morten scored on a sacrifice by Pat Graham and Chad Milne sacrificed home Nica. Again the boys only managed 4 hits but they proved timely in this game.

The shut-out was pitched by Marty Shaw who faced only three extra batters in the victory allowing only a single hit, which came in the 7th with 2 walks and 4 strike-outs.

It was an excellent weekend of softball both offensively and defensively by a group of young gentlemen who conducted themselves as true sportsmen both on the field and off. The team outscored their opposition 27-5 and the 2 pitchers combined for only 15 hits in the 5 games with 3 walks thrown in defensively, only 5 errors were made.

Congratulations to team members Marty Shaw, Aaron Beals, Chad Milne, Pat Graham, Trevor Torrence, Jaimie Morten, Nica Clancy, Mike Shannon, Troy Trotter, Greg Zajek, Tom McDonald and Ian Ketcheson. Also to the coaches and manager Shawn Allenby, Dave Milne and Gary Torrence.

Mickey Maloney was the Grand Prize winner at Broadbent's Home Hardware 5th anniversary party held Sept. 2. Mickey was presented with this Sheppard Gas BBQ by Scott Broadbent, on behalf of his father Bob. Other winners included: Patricia Fry, Black & Decker Electric Screwdriver (Canadian Gypsum Company); Irene Ratcliff, Proctor Silex Toaster Oven (Duchess Vinyl Siding); Mary Jane Goodchild, six bundles of pine siding (MacMillan Bloedel); Dianne Cole, AM/FM stereo cassette recorder (Taiga Wood Products); Clayton Tompkins, AM/FM Clock Radio/Phone (Alexandria Mouldings); Edith Althouse, Estwing Hammer (Flecto Paint and Varnish); Bev Baptie, \$50 gift certificate (Iko Shingles); Jenny Crauford, \$50 gift certificate (Camuel); Sharon Pattison, Andrea Jones and Richard Minns were all winners of a T-shirt, hat and \$10 gift certificate from Lockwood Windows Ltd.

## Why Settle for Anything Less?

### INSULATED ENTRY DOOR SYSTEMS

Galvanized, rigid steel insulated doors have compression weatherstripping to seal out wind and dust, and ensure an airtight system. An extruded aluminum, thermally broken sill protects against condensation and frost build-up. Your choice of co-ordinating side-lights, leaded glass and vented panels let sunlight and fresh air in and beauty to your entryway.

### TERRACE DOOR

The new alternative to the patio door, the Terrace Door is a steel insulated door with maintenance-free vinyl cladding. Available as a double or tripartite door, the operating door opens on 180 degree hinges allowing it to fold all the way back so no space is lost by sliding screen. Protects against insects and full length beveled glass is available in a variety of patterns and styles to complement your home.

## Quinte Crime Stoppers

# Thieves indiscriminate in target of building materials

Quinte Crime Stoppers in co-operation with police forces throughout the Quinte area are seeking assistance in solving numerous building material thefts.

OPP in Belleville, Madoc, Brighton, and Picton as well as Belleville and Trenton police detachments have received numerous calls reporting such thefts.

Thieves have been indiscriminate in their targets as they have been stealing materials

from individual homes under construction as well as subdivisions and commercial sites. Everything from 2X4's through to windows and doors have been reported stolen.

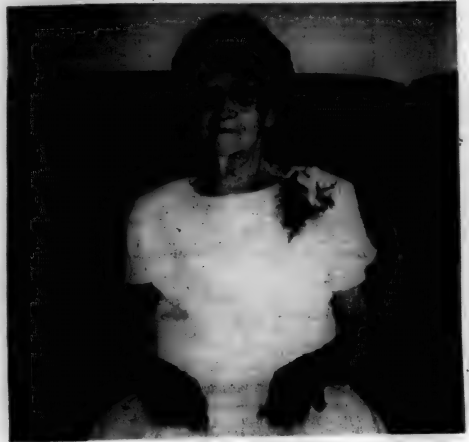

The thieves usually strike in the late evening or on the weekends when they are reasonably assured that no one will be around.

Police reports indicate that the losses are in the thousands of dollars. These thefts affect all people as the costs are

passed on to purchasers.

If you have any information which would assist police in these investigations Crime Stoppers would like to hear from you. Contact them at 1-969-8477 or 1-800-267-4357.

Crime Stoppers offers a cash reward up to \$1,000 for information leading to an arrest in this crime or any other unsolved case. Callers will not be required to reveal their identity nor testify in court.

Tressa Jane (Bryden) Dafeo

## 95th birthday for Flinton resident

On Sunday, July 23, Tressa Jane (Bryden) Dafeo celebrated her 95th birthday at her home in Flinton. An open house in her honour was attended by her family and many friends.

At the Sunday morning service in the church which Tressa regularly attends, she was presented with a beautiful floral arrangement and a corsage of red roses. Several other bouquets and table arrangements for the occasion were displayed in her home as well.

The colors used on the beautifully decorated cakes were selected and matched the color scheme of the house decorations and table setting.

Besides the many birthday cards and greetings Tressa received, she also was the recipient of some lovely birth-

day gifts. Mr. Larry South, M.P.P. for Frontenac/ Addington presented Tressa with a plaque on behalf of the Honourable David Peterson, Premier of Ontario. As well, a plaque from the Prime Minister of Canada, Mr. Brian Mulroney, was received. Mr. Bill Vankoughnet, M.P. for Hastings-Frontenac presented Tressa with a plaque too.

Former Member of Parliament, Doug Alkenbrack was in attendance as well as guests from Ottawa, Chatham, Kingston, Belleville, Napanee, Manotick, Morganston, Chilli-wack B.C., Regina Sask., Lindsay, California, U.S.A., Toronto and the local area.

Tressa enjoys good health and looks forward to another happy year.

# Norwood Fair

## 'Bravo Canada' exhibit emphasizes goods in Canada

Certainly, one of the highlights of this year's Norwood Fair will be the inclusion of the acclaimed Bravo Canada! exhibit which is designed to emphasize the "richness and diversity of Canada."

"Canadian reality" - and is, according to Bravo Canada! literature, both a tribute to the breathtaking beauty of our country and the ingenuity and excellence of the men and women who inhabit it.

### Rediscovering our country

This substantial display is divided into three sections - each of which focuses on a particular characteristic of the

Section by section visitors will discover Canada the land, with its bounty (and physical reality); Canada the innova-

tive; and the people of Canada, the men and women who have become "inspirations to others."

Canada the Land enables the visitor to "rejoice in the magnificent variety of our land's natural beauty and to become aware of its fragility."

In this section, also, the richness of our natural resources is evident as well as the efforts Canadians have undertaken to preserve our

environment.

The Innovations section stresses the inventiveness of Canadians of all ages - those who have "captured the spotlight," here and abroad, because of their creative efforts and the vitality they have brought to our economy. Few Canadians know, for instance, that it was fellow-countrymen who developed biodegradable plastics and the

automatic transmission bicycle.

"Stopping short of revolutionizing the world," the Bravo Canada literature reads, "some of the inventions introduced have considerably simplified the daily life of consumers."

A device to hold a garbage bag open - is a Canadian invention.

A portable high chair - also Canadian.

And a magnetic wallet - again, Canadian.

"On the premise that the strength of a country is measured by its citizens," organizers say, "the exhibit invites visitors to discover Canada - the people."

Canadians honoured in this third section come from all walks of life and have excelled either in long, productive careers, by their determined competitiveness or by performing acts of bravery.

Along with the simple pleasure of touring the large exhibit, visitors to Bravo Canada! will have a chance to participate in a contest. After correctly answering "scratch and win" questions, visitors become eligible for prizes.

There is no question that the Norwood Fair is innovative in itself, the addition of Bravo Canada! this year clearly demonstrates this.

## Blue Box giveaway

PHOTO BY BILL FREEMAN

**HOUSEHOLD  
HAZARDOUS  
WASTE**

For Asphodel Township residents wondering how they go about sorting their household recyclables and what, in fact, constitutes a Recycleable here is a quick check list.

Bring your blue box, filled with the following household waste, to the Asphodel dump. Those people who do not receive a blue box can still be involved and are encouraged to bring their recyclables to the depot in a cardboard box or bags.

bags.

### NEWSPAPER

\* Bundle or bag newspapers - including fliers. Please NO magazines, junk mail, catalogues or "glossy" paper.

### TIN & ALUMINUM CANS

\* Food and beverage cans only; Please rinse food cans. Don't worry about the labels.

Please NO paint cans, aerosol cans, aluminum pie plates, pots and pans.

### TWO LITRE PLASTIC SOFT DRINK BOTTLES

\* No other sizes of soft drink bottles and no other kind of plastic. Please remove the caps.

### COLOURED & CLEAR COLOURLESS GLASS

\* Separate clear from coloured glass; bottles and jars only. And NEVER bring china or other ceramics to the recycling depot.

Please NO flat glass, mirrors, drinking glasses, light bulbs, pyrex or other glass cooking utensils.

### OLD CORRUGATED CARDBOARD

\* Cardboard must be flattened; must not contain any strapping; must not contain any foam plastic dunnage; must not contain any flat cardboard, i.e. cereal boxes or shoe boxes; must not have any plastic coating.

## Asphodel Twp. pilot project

## Reasons to recycle

Why should people recycle? Why should Asphodel Township residents get behind their recycling pilot project?

Well, there are many reasons to recycle other than saving space in landfill sites. Considering that the average Ontario household generates about one tonne of solid waste each year, there are some pretty compelling facts that are worth thinking about.

How about:

- \* every tonne of newspaper recycled saves 19 trees.
- \* every tonne of steel cans recycled saves more than 1 1/2 tonnes of iron ore plus energy savings equivalent to three barrels of oil.
- \* it takes 70 per cent less energy to produce aluminum from recycled products than from raw materials.
- \* the use of scrap glass reduces the energy required to produce new glass containers.
- \* the energy saved from recycling a glass bottle would light a 100-watt bulb for four hours.
- \* two weeks of daily newspapers equals one mature tree.
- \* the energy saved from each

recycled aluminum can would power a television set for three hours.

\* cans manufactured from 100 per cent recycled aluminum instead of raw materials reduces related air pollution by 96 per cent and water pollution by 97 per cent.

\* glass produced from recycled glass instead of raw materials reduces related air pollution by 20 per cent and water pollution by 50 per cent.

\* total household waste generated each year in Ontario would form a line of garbage trucks from Toronto to St. John's, Nfld., and almost all the way back.

Blue box distribution at the Asphodel Township dump begins Friday at 9 a.m. and runs until 4 p.m. They will be distributed again Saturday from 9 a.m. - 4 p.m.

Even households not lucky enough to get one of the 300 containers can still sort their household recyclables and bring them to the dump in cardboard boxes or bags where there will be appropriate depots for certain items.

A great idea: Richard Grey and Virginia Olsen are preparing to officially launch Asphodel Township's recycling pilot project. They will be at the Asphodel landfill site Friday and Saturday to hand out 300 blue boxes and to explain more about this exercise in waste management. Meanwhile, at the Norwood dump, student-made signs have been posted to help segregate household and non-household garbage going into the landfill. Remember, also, that Sept. 23 is Peterborough County's Hazardous Household Waste collection day and area residents are encouraged to take their hazardous waste-stuff to the depot at Morrow Park.

## Norwood conducts landfill-user survey

Thirty-one per cent of all loads taken to the Norwood Landfill site in August were composed of stones, trees, old lumber, old furniture, leaves and tree branches - so-called clean fill - a recent survey indicates.

The survey, conducted at the town office to see who was picking up the dump site key, what they were transporting to the dump and how much was taken, ran for the last three weeks in August.

On average the key was on loan three times a day and the majority of the 1/2 tonne loads were made up of clean fill.

A second, on-site survey conducted by Labour Day weekend by Richard Grey who is working on local recycling projects, showed that most of the 20 users surveyed that weekend did not seem to know that you simply have to pick up key to gain access to the site during the week.

The four-question survey indicated that these users visit the dump once a month - usually a Saturday - with a 1/2 tonne load of non-household garbage. Some did not know about the key.

Asked if the dump were to stay open just two days a week which days they would like, Saturday was unanimously selected followed by Friday and Wednesday.

The real surprise, Mr. Grey said, was that 30 per cent of those surveyed said they have a household compost box for their organic garbage.

Asked if they thought a tipping fee should be charged for loads of non-household garbage like brush, fill and building materials, 25 per cent said no; 60 per cent said the village should charge no more than \$5 per 1/2 tonne truckload and 15 per cent said it should be \$10 per load.

An Ontario court handed down an injunction (order) to stop a deaf woman, Barbara Dodd, from getting an abortion. The father, Greg Murphy, is hard of hearing.

Dodd was given papers ordering her to show up in court on July 4th to argue against the injunction. She did not show up in court on that date. The court thought this meant she understood what was going on and did not want to fight the injunction.

The truth is, that Dodd, like many deaf people, has low literacy skills. She could not understand the court papers. The papers were given to her by a hearing lawyer who did not use sign language or an interpreter. Even if Barbara had understood the papers, she could not have booked an interpreter because it was the Canada Day holiday weekend.

The case became front page news all across Canada and was the top story on the national TV newscasts. Pro-choice groups and anti-abortionists, argued over women's rights to abortion and men's rights to protect their unborn children.

For the deaf community, however, the important fact was Barbara's deafness and her resultant poor education. She is a grade 10 drop-out from a Total Communication program at Northern Secondary School in Toronto.

The Canadian Association of the Deaf, Ontario Association of the Deaf, Canadian Hearing Society, and Disabled Women's Network held a press conference on July 7th to announce that they would ask to be allowed to speak on behalf of Barbara in court.

We have no interest in the issue of abortion. Our only

# More Able Than Disabled

by Barabara Pealow

## Deaf rights denied (The cad news)

interest is in the right of deaf people to have equal access to judicial procedure.

Barbara Dodd was given court papers that were written in very difficult English. She was not provided with an interpreter to help explain the papers to her. She was not provided with assistance to make sure she understood what was happening. Even if she had shown up in court, she would not have been able to understand everything because there was no interpreter in the court, either. Despite all this, the court made a decision to stop her from getting an abortion.

This is frightening. It means that any deaf person could be accused of any crime, even murder, and be found guilty without the deaf person understanding anything going on.

On July 11, a second court hearing was held after Barbara had been advised of her rights and provided with an interpreter. At this hearing the judge agreed that Barbara had not been given enough time to understand the court papers and get an interpreter and a lawyer. The judge threw out the injunction, and Barbara

had her abortion.

The Canadian Association of the Deaf (CAD) has been working for a long time to make sure deaf people get equal rights in court procedures. We hope this case will help us to convince courts and lawyers that the legal dangers facing deaf people are very real dangers and must be fixed as soon as possible.

Such rights include:  
\* the deaf person has been provided with an interpreter or other communication facilitation of his or her choice.

\* the deaf person truly and demonstrably understands the situation and the proceeding against him or her;

\* the deaf person has obtained or been provided with a lawyer able to communicate clearly and effectively with him or her, whether through one-to-one communication or through an interpreter.

### DEADLINE FOR PREMIER'S AWARDS FOR ACCESSIBILITY

October 27, 1989, is the deadline for entries from architects, designers and engineers for the fifth annual Premier's Awards for Accessibility. Shirley Collins, Minister Responsible for Disabled Persons, announced August 31, 1989:

"I am pleased and encouraged by the success of this program," said Mrs. Collins. "Gradually, the barriers to mainstream living for disabled persons are being removed. The Premier's Awards recognize excellence in the design of barrier-free elements. We are now seeing more, and better, entries."

Through the program, individuals or teams of architects, landscape architects, professional engineers, interior designers and associates are encouraged to incorporate barrier-free features at the

planning stage of residential and non-residential projects.

Projects must have been initiated in Ontario, completed and in use by October 27, 1989. Entry forms are available from: Premier's Awards for Accessibility, Ontario Office for Disabled Persons, 700 Bay Street, Box 322, Toronto, Ont., M5G 1Z6, or telephone (416) 963-3121, or toll-free 1-800-387-4456.

### HOSPITAL NEWS - MOIST HEAT PACK INTRODUCED

An automatic heat treatment pack is now available in Canada through Remington Medical Equipment.

The Thermophone Automatic Moist Heat Pack draws moisture from the air and retains it in a woven flannel cover, to provide deep penetrating heat. Standard size is 14 by 27 inches for large body areas such as the entire spine or both legs. Smaller sizes are also available, to use in the head area for TMJ or sinus pain.

For information contact Bob Remington Medical Equipment, 77 Victoria Park Ave., Toronto, Ont., M4E 3S2, or phone (416) 692-5762 or FAX 691-3377

One of the surest ways of making others love you is to be cheerful; joy softens more hearts than tears.

### RECIPES

#### EASY RELISH FOR HOT DOGS

- 4 large cucumbers
- 5 large onions
- 4 large green peppers
- 5 large green tomatoes
- 1/2 re pepper or 2 red tomatoes

Put all through food chopper. Add 2 tbs coarse salt and let stand overnight. Drain well. Add:

- 2 cups vinegar
- 3 cups sugar
- 1 tbs celery seed

Bring to boil. Bottle and seal. Makes 4 pints and a little more.

#### TOMATO RELISH

- 18 large ripe tomatoes (chopped)
- 2 green peppers (chopped)
- 2 and 1/2 cups sugar
- 2 large onions (chopped)
- 1 tbs pickling salt
- 1 cup vinegar

Boil down until thick. Put in jars and seal. Keep perfectly.

#### CHOW! SEE YOU NEXT WEEK.

Find out how to make your work place more accessible to the Deaf employee. Call the Canadian Hearing Society at 416-964-9595, or write to us at: 271 Spadina Road, Toronto, Ontario M5R 2V3

by  
**Ken Yarrow**

Canadian crop drought insurance came up at the directors meeting of the Ontario Federation of Agriculture in Toronto, and a Crop Review Committee has been set up. This means that anyone who feels that they did not get their fair share of the assistance money available, may apply for a review of their case.

The Review Committee's secretary is Mr. Frank Webster, Agriculture Development Branch, 450 Speedvale Avenue West, Unit 104, Guelph, Ont., N1H 7Y7. Phone 519-763-5433. Fax 519-763-5446.

According to the information I have, the requests must be in writing and all requests will be replied to in writing. For the sake of clarity, I have included, verbatim, the Review Process. If further information is required, then I suggest you contact OMAF or the Ontario Federation of Agriculture, 416-485-3333.

There is at least one case around, where a whole township was denied corn assistance because of minimal numbers in the insurance program and certain other complexities. In this particular instance all townships around were paid and drought insurance was paid for crops other than corn. I would suggest that those townships avail themselves of this opportunity. If there are other, then they too should contact Mr. Webster. Remember that you must be prepared to do so in writing and substantiate your claim numerically, not just emotionally.

## Review process - How Producers request reviews

Producers will receive individual statements of account after receiving final cheques. The acreage payment rates used to calculate final payments will be available in Agricultural Representatives Offices in early August.

The yield data used to calcu-

late final payment rates will also be sent to Agricultural Representatives offices and will be available to producers on request.

Assistance rates are based on the best data available for long-term and 1988 average yields. Provincial crop insurance data at the township level has been used in most cases.

Producers who are dissatisfied with the assistance rates and/or yields for a commodity or commodities in a township, can request a review by contacting the Secretary of the Ontario PRC in writing.

The Secretary can accept a letter requesting a review of the assistance rates and/or yield data for a township or county from one or more producers. Producers, however, are encouraged to coordinate their requests for review with other producers in their township/county.

Separate review requests must be made for each crop in each township.

The deadline for submission of CCDAP review requests by field crop producers to Ontario Producer Review Committee is September 29, 1989. October 27, 1989 is the deadline for submission of review requests for horticulture and special crop producers.

PRCs will meet in October/November to consider review requests, and will make recommendations to the Minister on all matters brought to their attention.

The PRC Chairperson will inform producers in writing of the final decisions.

Here's one for people going hunting. Two hunters lost in the woods, cautioned each other to remain calm and think rationally. After a while, one said, "I have been told that when lost in the woods, you should intermittently shoot three times in the air." After a few times doing this the other hunter said, "What do I do now, I'm out of arrows."

# Conservation Corner... by A.Engels

## Bags by the dozen

Who wants a hundred acre nodule next to their home? Nobody I know of is fond of the idea, but the green bag of garbage each one of us produces in a week must go somewhere. We are all personally responsible for the garbage and pollution we generate in the conduct of our lives. We Shreik "NIMBY!" at the Waste Management committees that try to deal with our abuses of the environment... but it is in our own backyards and homes where the problem must be solved.

"If you're not part of the solution, you're part of the problem." Only you the readers, can help solve the problems of waste management. In this series of articles, we'll look at the simple ways in which you can become "part of the solution."

Some of these ideas involve no more than minor changes in how you do your shopping and daily housekeeping. Other things may need you to write a letter to your local politician or a company, which does not share your concerns.

This week let's examine the problem of plastic bags and grocery shopping. Plastic bags are used to contain milk, loose fruits and vegetables and bulkstore purchases. Your purchases are usually placed in plastic bags at the checkout.

These plastic bags represent a significant investment of energy and natural resources which is lost forever if they go to the dump. They are a problem at the dump because most plastics don't break down. You can help solve this problem, and here's how:

- 1) Wash and save all of your plastic bags. Open the tops of inner milk bags with scissors and fold up your paper bags.
- 2) When you go shopping, take some of your plastic bags with you. Use the outer milk bags for fruits, vegetables and bulk purchases.
- 3) Give the checkout clerk your saved shopping bags to re-use.
- 4) DON'T allow the bagging people to put some items into an extra separate bag; it's wasteful and unnecessary.
- 5) Use your inner milk bags for holding frozen food, small hardware, and so on.

6) Make a suggestion to your friendly grocer that he give, say, a 25 cent credit for each shopping bag returned for re-use, and make a 25 cent charge for each new one taken.

7) This is your space. Fill it in, and send your ideas to "Conservation Corner, care of Box 586, Stirling." I'll pass good ideas on in future articles.

In the next column we'll look at the issue of returnable containers. Please clip and save this article for future reference.

## Fall hunting '89

by Jim Fry, Conservation Officer Co-ordinator

The fall hunting seasons are just around the corner. Small game and big game seasons in Lindsay District are as follows:

Small game (grouse, rabbits, waterfowl, Monday, September 25).

Deer - Area 72A - 73 - 75 - Nov.6 - Nov.9.

Shot guns only, no dogs

Area 74 - Nov.6 - Nov. 11

Area 60A - Nov. 6 - Nov.18.

Deer - Archery Only

- Area 60A - Oct.15 - Nov.5

- Area 72A - Oct.15 - Nov.5

and Nov.10 - Dec.31

- Area 72B - Oct.15 - Dec.31

- Area 71,74 - Oct.15 - Nov.5

and Nov.12 - Dec.31

- Area 73,75 - Oct.15 - Nov.15

and Nov. 10 - Dec.31.

Deer hunters should note there are no controlled deer hunts this year in the Lindsay District. The hunts are now open and antlerless tags are required if you plan to hunt antlerless deer. The deadline for the antlerless deer application was July 31st, 1989.

### Hunting Licence Examinations

The fall schedule for hunting licence examinations in Lindsay District is as follows by appointment only:

- September 6 - Lindsay
- September 7 - Peterborough
- September 11 - Lindsay
- September 12 - Oshawa
- September 18 - Lindsay
- September 21 - Peterborough
- September 22 - Lindsay
- October 2 - Lindsay
- October 4 - Oshawa

- October 5 - Peterborough
  - October 11 - Oshawa
  - October 12 - Cobourg
  - October 13 - Lindsay
  - October 23 - Lindsay
  - October 26 - Peterborough
  - October 30 - Lindsay
- Please contact Lindsay District Office (324-6121) for appointments and information on hunter safety courses. Examinations are by appointment only. Applicants must book appointments at least 10 days prior to the examination date.

### Controlled Hunts

Two controlled hunts will operate in Lindsay District this fall. The controlled waterfowl hunt will take place starting September 25 at the Darlington

Provincial Park. The hunt will operate all day Mondays, Wednesdays and Fridays and until noon on Saturdays. The daily park entry fee of \$5.00 will apply. Hunters must park in the designated parking area and hunt from one of the seven available blinds.

At the Scugog Island Provincial Wildlife Management Area, the controlled pheasant hunt will operate starting Wednesday, September 27 and will continue until mid November. Pheasant hunting will be available Wednesday to Saturday from 9.00 a.m. to 12 noon and 1.00 p.m. to 4.30 p.m. with a limit of 45 hunters. The cost is \$15.00/hunter with a limit of two pheasants. Hunters are reminded that small game licences are required.

## Managing your home business

A good administration is necessary to the health of any business, including a homebusiness. By keeping simple controls over where the money goes, you're less likely to run up massive expenditures, less likely to confuse yourself and more likely to end up with a successful operation.

"Too many times, people set up a record keeping system that is too elaborate," explains Wayne Tunney, a partner with Peat Marwick, chartered accountants in Toronto. "All you really need is a notebook or a spread sheet. You don't need a complex accounting program."

Even something as simple as a looseleaf notebook divided into columns can be the best thing for a microbusinessperson. Faithfully note your income and expenses and then bring the book to your accountant at the end of the year to figure out your taxes.

The importance of keeping records can't be overemphasized. By operating out of your home, you can get substantial tax savings, just as long as you can prove to Revenue Canada that your business expenditures are legitimate.

For a start, the home businessperson can write off a portion of his or her house payments. That is as long as a home office is set up and the space is used exclusively or on a regular and continuous basis for work. "It can't be the den where you happen to have your computer as well as the TV set," cautions Tunney.

You can also write off:

- \* a portion of housekeeping costs, such as electricity and the telephone bills;
- \* office supplies you have to purchase for the business;
- \* car expenses related to your business;
- \* the depreciation of the cost of your home computer and other office equipment you purchase;
- \* and 80 per cent of business promotion and entertainment.

These tax advantages can be a help for beginning entrepreneurs. As Wendy Priesnitz, national coordinator of the Unionville-based Home Business Network points out: "Women in particular may have difficulty getting money to start their own business. One major reason is that they often want to set up service enterprises and find they lack either the proper collateral, don't have a credit history or literally want to borrow too small a sum to interest a financial institution. But being able to work at home and not pay rent on premises gives them a better way to incubate the business."

Another good idea is to select, as your business fiscal year end, a date just after December 31. By doing so, all of the income earned from that date until December 31, won't be included in taxable income.

It will help you determine your customer groups, sales objectives, pricing and other key factors. You can then use it to guide your sales efforts and drum up new business.

Many microbusinesspeople set aside one day a week for business development; making cold calls, meeting people face-to-face etc. Another strategy is to involve yourself with different organizations, either service organizations like the Lion's Club or professional groups like the Canadian Institute of Chartered Accountants. If you can, write articles for industry publications, or look for other ways to get your name known. But don't spend too much of your working day marketing yourself, either. You may end up with too little time to do the actual work and your hard-won reputation will suffer.

"Good afternoon, sir; allow me to offer my card. I'll do just about anything as long as I can do it from home!"

until the following year. Thus from then on taxes are paid one year later than otherwise would be the case.

Still, you won't have much business to keep track of or to write off expenses against unless you consistently market yourself. That's why you should build a marketing plan into your overall business plan.

## Hockey registration in Norwood

Remember, this is the week when all Norwood-and-area hockey players can sign on for a season of Canada's national sport.

Because of renovation work being undertaken at the Legion, registration this year will be held at the Brethren Coliseum on Thursday, September 14 from 6 pm until 8 pm and again on Saturday, September 16 from 9 am until 11:30 am. A late registration day has been set for Saturday, September 30 from 9 am until 11:30 am.

The total fee for one child is \$125; for two children, \$175; for three children, \$200; and for Tykes, \$75. There is a totally refundable booth fee of \$50 provided all booth work has been completed.

The 1989 registration fee must be paid in full. Parents should also remember that there is a late registration penalty of \$25.

## A new cancer information service

The Cancer Information Service is a toll-free telephone inquiry service that supplies factual, up-to-date information

about cancer and cancer-related resources to the general public, cancer patients and their families, to health profes-

sionals and the media. Specific information about cancer prevention, causes, risk

factors, particular cancer sites, methods of diagnosis, treatment and rehabilitation is

available. As well, information about local resources for cancer patients and families, treatment facilities, home care programs, volunteer and self-help programs - is available. The Service is able to provide information and support around palliative care issues. Our information ranges from very general information through very specific research protocols to resources available across the province. Ontario. Information given by telephone is often supplemented by written material mailed to the caller at a charge.

## Retired teachers can now work 95 days

Retired teachers will now be able to work 95 days without having their pensions reduced, Education Minister Sean Conway announced.

"There are enough qualified teachers to meet Ontario's requirements in most subject areas for this year, and this action is one-way to ensure we maintain that supply in the future," Mr. Conway said.

The regulation change was made under the Teachers' Superannuation Act. Previously, pensioners could return to employment in education for only 20 days in a school year

without pension penalties. After the 20-day limit, their pensions were reduced by one-fourth hundredth for each day worked.

The increased limit will allow retired teachers to return to the classroom for temporary and supply teaching assignments for about one semester per year.

"This will significantly expand the pool of qualified and experienced supply teachers for Ontario schools particularly in certain areas, such as technology, special education and French-language instruction," Mr. Conway said.

The Cancer Information Service is staffed by trained personnel, who respond to calls with specific individualized information in layman language, and provide the opportunity for the caller to discuss his concerns fully.

The assurance of confidentiality or anonymity provided by the Service often proves to be an asset. Callers can ask very basic or personal questions without fear of embarrassment. Callers are not required to give their names or other information about themselves.

One of the major aims of the Cancer Information Service is to reduce the widespread fear and confusion surrounding cancer, by providing a current, factual, readily available source of information. This will assist the public in understanding and coping with the disease in family, friends and associates.

In Ontario, the Cancer Information Service is funded jointly by the Canadian Cancer Society - Ontario Division and the Ontario Cancer Treatment and Research Foundation.

## Ontario fall color reports

Starting Thursday, September 7, travellers will be able to call the Ministry of Tourism and Recreation for twice-weekly reports on Ontario's fall colour progression, the viewing locations and possibilities.

"Fall is a beautiful time of the year to travel through Ontario and enjoy the richness of the changing leaves," Ontario Minister of Tourism and Recreation, Ken Blaney said. "My Ministry is pleased to provide information to travellers who want to take advantage of Ontario's natural attractions and natural beauty."

The public may dial toll-free 1-800-ONTARIO (English) or 1-800-268-3736 (French). To callers can also dial (905) 965-4008.

Subscribers to Canada Now Wire will receive the colour report each Monday. Thursday. Radio stations call 726-1353 or 726-1356, 726-1357 or 726-1358 a report in broadcast form.

**Yippee, the kids (and teachers) are back:** St. Paul's School in Norwood has three new teachers welcoming students this year. From left to right, and showing off an appropriate wall hanging, are: Steve Hartwick; grade one teacher, Michelle Sullivan and grade 6-7 teacher, Terry Lucy.

## Indian River scholarship winners

Three Indian River students, including a Norwood High School graduate, have won Shaw Memorial Scholarships. Each year, scholarships

presented on behalf of the trustees of Robert, Louis and Helen Shaw are awarded to outstanding residents of Peterborough County who are enter-

ing programs at the University of Guelph and Kemptville College of Agricultural Technology.

This year, four scholarships worth a total of \$3500 were awarded - three of them to area residents.

Geoff Wood, Tracy Elmhirst and David Stockdale are the lucky local recipients.

David Stockdale, a graduate of NDHS, will receive \$500 towards his studies in dairy cattle production and management at Kemptville College. David has completed 26 4-H projects and has participated in provincial and national 4-H events. He is the son of Robert and Laura Stockdale of Asphodel Township.

Geoff Wood, the son of Mr. and Mrs. Ronald Wood of R.R. 3 in Indian River will receive

## WCB ready to implement Bill 162

The Workers' Compensation Board (WCB) of Ontario has begun administration of major amendments to the province's Workers' Compensation Act. While the Bill 162 amendments to the Act has received royal assent, a number of key provisions of the new legislation will not be effective until early 1990.

"The changes will significantly affect the way the WCB does business," said Board chairman Dr. Robert Elgie. "The new legislation changes the way in which an injured worker is compensated for a permanent disability. It introduces a new dual-award system, tying compensation more closely to the worker's future loss of earnings, and provides an additional award for loss of enjoyment of life.

As well it places a major emphasis on measures to facilitate the successful reintegration of the injured worker into the workforce.

Important specific transitional provisions take effect immediately. Current permanent disability pensions fall short of their actual loss of earnings may be eligible for a supplement and for vocational rehabilitation. The WCB will mail all current pensioners a letter and questionnaire to determine their eligibility for a supplement to their present pension, as well as their eligibility for a Board vocational rehabilitation program, with a full supplement during the period the worker is participating in the program.

In addition, the new legisla-

tion introduces a number of important changes to the workers' compensation system which takes effect early in 1990.

Highlights of Bill 162 include:

- \* A dual-award system to compensate workers with permanent disabilities for economic loss related to future loss of earnings, and for non-economic loss to reflect the worker's reduced enjoyment of life. This new approach will apply only to workers injured on or after the proclamation date. The previous pension scheme will continue to apply to permanently disabled workers who are injured before proclamation in early 1990;

- \* A greater emphasis on helping injured workers to return to the workforce earlier and more successfully;

- \* New obligations on the WCB to provide injured workers with vocational rehabilitation services on a timely basis to facilitate reintegration into the workforce;

- \* An obligation on many employers to reinstate injured workers in the jobs they performed prior to their injury or in another job the worker is capable of performing once they are able to return to work. The WCB will establish a Reinstatement Branch to monitor compliance;

- \* A contribution towards a worker's retirement income. For a worker who is in receipt of a wage loss award, the Board will set aside additional funds equal to 10 per cent of every pension payment.

- \* An obligation on employers to maintain any contributions for a worker's health care, life insurance and pension benefits during the worker's absence due to a work-related injury for one year; and

- \* An increase in the earnings ceiling, which is the limit on the amount of gross income that the workers' compensation will cover. It will increase in stages to 175 per cent of the provincial average industrial wage(AIW). It is estimated that, as of January 1, 1990, the initial earnings ceiling will be \$38,400. The interim ceiling will be raised to \$42,000 as of January 1, 1991. On January 1, 1992 the ceiling will rise to 175 per cent of the provincial AIW.

The Chairman also emphasized that the WCB has completed a three-year program of Board restructuring and is now in the process of introducing a co-ordinated series of administrative, technological and policy changes. "This has been an important and difficult period of major renewal and the Board is now prepared to address itself to the challenging agenda represented by the Bill 162 amendments," said Dr. Elgie.

Major service delivery strategies have been introduced that should enable us to respond quickly to our new responsibilities. With respect to the vocational rehabilitation provisions, our new approaches to service delivery put us in a better position to meet these obligations, as they share the Bill's goal of an earlier and more successful return to the injured worker to employment," he noted.

## Adult education big at Norwood High

Norwood and District High School has once again produced an excellent calendar of adult education courses that draws on all the resources and expertise available at the school.

Last year between 60 and 70 adults were involved in the well-received program, administrative head, Jim Turner says.

And this year there are a number of new credit courses designed specifically for adult students enrolled at NDHS. New courses this year include:

\* A Fine Arts course that allows students a chance to "explore a variety of studio experiences and media including drawing: perspective, figure and still life; painting with tempera and acrylics; printmaking; sculpture and pottery; handbuilding and wheel work."

\* a Data Processing course that explores the operation of computers to carry out business functions.

\* a Horticulture course (offered in the spring) combin-

ing theory and practical work with topics ranging from soil studies, planting principles, transplanting to disease and insect control.

\* Physical Recreation and Fitness for Seniors with the emphasis on "fun, sociability and the maintenance of physical fitness."

\* a Man and Society course called Challenge and Change. The topics include human nature, social behaviour, communication and coping with the future.

These courses are offered along side specially designed adult courses in craft arts, computers, English literature, physical recreation for young adults, woodworking, drafting, auto mechanics and welding.

Adults are reminded that they can receive ministry of education credits for courses completed at NDHS and the adult education program at NDHS is designed especially to accommodate the schedules of adult students.

Adult students returning to high school should also note

**MEMORIALS**

**FITZPATRICK, Doris** - In memory of a wife, mother, grandmother, and great grandmother.  
The depths of sorrow we cannot tell.  
Of the loss of one we loved so well.  
And while she sleeps a peaceful sleep,  
Her memory we shall always keep.  
Sadly missed by Vince, child, grandchildren and great grandchildren.

**FORBES, Ray** - In loving memory of my dear husband, Ray, who passed away September 11, 1982.  
I have lost my soul's companion.  
A life linked with my own.  
And I say by day I miss him more.  
As I walk through life alone.  
Lovingly remembered and sadly missed by wife, Ila.

**ROGERS, In loving memory** of a dear husband, father and grandfather, William. Bill passed away on September 14, 1988.  
His smile is still with me.  
His love is still in my heart.  
His memory is loved and held dear.  
They walk beside us every day.  
Unseen, unheard but always near.  
Still loved, still missed and ever dear.  
Sadly missed by wife Jean & Family.

**ROGERS, In loving memory** of a father and grandfather, William (Bill) who passed away September 14, 1988.  
A year is past and gone.  
And yet we can't forget.  
No welcome smile, his loving face.  
No one on earth can take his place.  
Lovingly remembered by Marie, Philip, Lana and Lesley.

**MARRIAGES**

**SISSMORE/TERRY** - Rev. & Mrs. David Sissmore and Mr. & Mrs. Paul Terry are pleased to announce the forthcoming marriage of their children, Elizabeth Sissmore to Benjamin Terry on September 23, 1989. We would like you to share in our happiness and join us at their wedding dance to be held at the Great Golf & Country Club, Keene, Ont. at 8:30 p.m.

**BIRTHS**

**STEVENSON** - Ron and Laurie are pleased to announce the birth of their daughter, Alice Madeline, born August 29, 1989, weighing 7 lbs., 3 oz. Little sister for Jeremy, 20th grandchild for Duncan and Jeanette Stevenson of Stouffville and first grandchild for Arnold & Doris Stevenson of Norwood.

**Adult education**

Cont'd from page 13  
that the ministry of education gives full value to "life experiences" and can grant credits for a variety of activities pursued outside school.

The NDHS co-op program also makes child care services available to young parents who wish to take advantage of the courses offered at the school.

And while NDHS offers an array of specifically-for-adult courses, anyone wishing to enroll in regular classes at the school is certainly invited to do so.

Along with this adult education program, NDHS also provides a "home study" (or independent) "career development and life planning" course that can be pursued for a single credit. Information on the independent study course is available through the guidance department.

For more information on courses and registration information call Jim Turner or Doug Moulton at the Student Services Office (633-5332) or just drop into the school.

\$1000 for his studies at the Ontario Veterinary College. Geoff has been active in school and community activities. He is a graduate of Adam Scott Collegiate where he was an Ontario Scholar.

The third area winner is Tracy Elmhirst, the daughter of Grant and Mary Elmhirst of Otonabee Township. Tracy was awarded \$1000 towards her Bachelor of Applied Science degree in Human Nutrition at Guelph. She has completed 25 4-H projects and is actively involved with her parent's beef farm.

Tracy is an Ontario Scholar graduate of Thomas A. Stewart Secondary School.

The other Peterborough County Shaw Memorial winner was Mark Brackenridge of Cavan Township who received \$1000. Mark is studying for a Bachelor of Science (Agriculture) degree at Guelph. He has completed 10 4-H projects and has been active in sports and Millbrook High School's student council.

## OPP seize fifteen hundred pounds of pot

Fifteen hundred pounds of marihuana (Canadian spelling) was seized in Madoc Township last Thursday, September 14th. It spent the

night in the garage of Madoc's OPP detachment before being transported to Belleville for inspection and burning.

A combined OPP investigation from Madoc detachment, number 9 district crime unit, Belleville, and drug enforcement unit personnel resulted in the seizure of fifteen hundred pounds of a substance believed to be marihuana (Canadian spelling).

The marihuana had been cultivated and processed in a very isolated area fifteen miles northwest of the Village of Madoc.

Charged with possession of a narcotic for the purpose of trafficking is James William Abra, age 35, of Sarnia, Ontario.

The OPP estimate that the street value of the drugs seized is \$3,400,000.

Abra was released after a bail hearing Belleville Provincial Court on September 14th. He is scheduled to appear again in Belleville on September 21st at 10 a.m.

OPP are not releasing the exact location of the find just in case there is more out there which they have not yet uncovered.

## Legion week commenced in Madoc last Sunday

by Janice Pinke

September 17th to the 23rd is 'Legion Week' throughout Ontario and in Madoc. Madoc's Legion, branch 363, is inviting the public to help them celebrate.

The week begins Sunday with a parade of comrades from the Legion hall to Madoc's Anglican church.

The week's festivities will be focused around the evening hours. Monday night is 'bring a friend night', Tuesday night, of course, is the 'Dabber Bingo' upstairs at the Legion

beginning at 7 p.m. Wednesday night is 'Wing & Fling night' with the sounds of live fiddlers. Thursday is dart night and Friday the Legion has scheduled a dance with possibly live entertainment.

Winding out the week Saturday is 'steak dart night' as well as euchre.

Branch 363 Legion President, Gavin Adams says that Madoc's Legion is also working on a 'special event' which would remember the beginning of World War II fifty years ago this year.

## Madoc's 84th agricultural fair queen

by Janice Pinke

Last Tuesday night Leanne Phillips attended her first fair board meeting in the capacity of Madoc's newest fair queen.

The grade 13 student captured the title September 7th at CHSS during the fair queen competition. The judges were most impressed with Leanne's public speaking abilities on which all contestants were judged.

Leanne, who attends CHSS, recently received her Provincial honours from 4-H for

completing twelve clubs within the 4-H program; one of those being the 'Etiquette' club.

Throughout her speech Leanne displayed both etiquette and her knowledge and respect for the 4-H association. Her closing comments included the 4-H pledge.

Leanne lives with her parents, Sharon and Doug, and her two brothers, Brad and Brian, in the same house she has lived in all her life in Huntingdon Township.

Cont'd on page 3

## Legion week commences

Madoc's Legion members kicked off 'Legion Week' in Madoc with a church parade this past

Sunday morning, from the Legion hall on St. Lawrence to Madoc's Anglican church on Durham St. north.

## Letter to the editor...

The Editor,  
Madoc Review,  
Madoc, Ont.

It is my pleasure to tell your readers that the inaugural meeting of the present season was held in the Lodge rooms on Sept. 6th.

The highlight of this meeting was D.D.G.M. Stewart Brownson officiating at the presentation of long service jewels to a number of Brothers.

Receiving 40 year jewels were Brothers Leo Coveney, Carl Fitzgerald and Francis Taylor.

Brothers Perry Brownson, John Bristol, Roy Rollins and Tom Ross received their 45 year jewels. Brother Gordon McCoy was presented with his 50 year jewel and also an appropriate certificate from Grand Lodge of Ontario.

D.D.G.M. Brownson also notified us that he would be installing our officers on October 18th.

The evening was ended with a lunch in the dining room.

Yours truly,

Robert H. Wilson, R/S

## Letter to the editor...

Dear Editor,

It was a dark and rainy night, September 14th, when fourteen brave Rebekahs attended our first meeting in the I.O.O.F. Hall in Madoc.

A welcome was given to sister Dorothy Albin, who is transferring from Beaver Lodge in Barrie. Sister Dorothy and her husband have recently moved to the area and we wish them much happiness.

Much time was spent discussing our Fall Dessert

Tea, coming up on September 28th in the I.O.O.F. Dining Room, Madoc. Committees were formed to look after the desserts, the advertising, the decorating, the bake and crafts tables and the draws. Starting at 7 p.m., it should be fun for everyone in town.

The meeting closed with tea and cookies and a friendly chat in the kitchen.

Yours truly,

Sister Hilda Wilson  
Noble Grand  
Lodge No. 134

## Letter to the editor...

To the Editor,  
Today, a great number of "violent" (as many in the media so often call us) pro-lifers, spent three hours in prayer in front of the building which houses the Supreme court of Canada. Pro-abortionists yelled at us, and at our children. One comment which struck me, was that we wanted to "kill mothers to save fetuses".

To my knowledge, Chantal Daigle's pregnancy was no direct threat to her life, and yet thousands cheer the taking of her 22 week-old, pre-born

baby's life. We pro-lifers, in our so-called "violence", cry and pray that God will forgive the sin of our country and of our government, of the abortionists and the anti-life faction, and of Chantal Daigle. We pray for their souls and cry for a dead baby. Which of us is truly the "violent" group? We did not poison an unborn babe in the womb, nor did we bury it's eternally still body in a trash bin. What is there to cheer in that? What are they so proud of?

Tara Lobsinger, Smith Falls, Ontario.

## MOE says its the climatic element not the effluent

by Janice Pinke

Although it would be ideal for the Village of Madoc to get another lagoon its not going to happen.

At a closed meeting in Ivanhoe last Tuesday night, regarding the poor quality of Moira Lake, Ministry of the Environment (MOE) representative Glenn Owen, again reiterated that the amount of effluent being released into the lake is well within the Ministry's criteria.

Randy Berry, President of the Moira Lake Property Owners Association, started off the meeting with a brief presentation saying "the exceptionally poor water quality and explosion of aquatic

plant life in Moira Lake this past June and July has resulted in a deluge of complaints to the Executive of our Association and to the Ministry of the Environment".

Glenn Owen, biologist, attributed the poor quality of the lake to natural climatic elements and not to Madoc's lagoon. The MOE feels that the high water temperatures along with the fact that there was no rain in July, are what the weeds thrive on.

The only solution the MOE could offer would be to (ideally) harvest the weeds. Funds for harvesting would have to be absorbed by Moira Lake property owners and possibly Huntingdon Township.

Also in attendance Tuesday was Gary Wright and V. Ewing of the Ministry of Natural Resources (MNR). Gary Wright told the Madoc Review that the question water quality was not in MNR mandate. Gary, however, that the "fish population in the lake is doing well". "Moira Lake has one of the best Walleye runs in district" says Wright.

Madoc's Reeve Deline along with the rest of Madoc Village council attended the meeting Tuesday night offering the Village's assistance. How Tom Deline says that the is, that Madoc Village is two to three percent of phosphate problem of M. Lake. He added that M. Village is an excellent corporate neighbour and realize importance to our community of the water quality in M. Lake. In closing he said the Village will work Huntingdon Township and cottage owners in any possible to assist them in plight.

Also attending last Tuesday's meeting was Huntingdon Township council, Dave of the MRCA, Tweed R. John Clements, Steve Ferguson of the Stoco Lake Property Owners Association and Township of Hungerford council members.

A public meeting was announced.

Madoc's Reeve Tom Deline chats with fellow council member Crichton Harrop before the start of a closed meeting concerning the clean-up of Moira Lake, last Tuesday evening in Ivanhoe. Read on.

## DATES TO REMEMBER

Sept. 12 - Brownies, Guides registration from 6:30-8 p.m. Brownies register at the United Church & Guides register at the Anglican Church.

## Madoc's 84th agricultural fair queen

Cont'd from page 1

A pisces, Leanne spends her summers as a lifeguard and swimming instructor at Marmora's beach. She's fully qualified to do both. In the winter Leanne again remains close to water working at Madoc's arena.

University is the next step for Miss Phillips, upon her completion of high school. She wants to pursue a career as a teacher.

Come out and meet Madoc's 84th fair queen at this year's agricultural fair, September 22-24.

## ABORTION STATEMENT

In the light of pending abortion legislation to be tabled in the House of Commons we the congregation of the Madoc Wesleyan and Free Methodist Church wish to take this opportunity to express our belief concerning abortion.

### WE BELIEVE:

"Induced abortion is the intentional destruction of human life by surgical or other means. The decision to terminate a pregnancy involves religious and moral values, as well as medical and legal realities. Therefore, Christians may not determine their rights and privileges only by the extent of the permissiveness of the law of the state or the possibilities of safe medical procedures. Christian morality demands that we consider both the biblical commandment and the human situation in which the law must be applied. Human life, whether nascent, mature, or senile, is sacred to Christians because of their faith that life exists in relation to God.

The intentional destruction of human life is murder when any degree of malice or selfishness accompanies the decision and act. Therefore, induced abortion is morally unjustifiable except when the act has been decided upon by responsible and competent persons, including Christian and professional counsel, for the purpose of saving the life of a pregnant woman. Abortion, when it serves the ends of population or birth control, personal preference or convenience, and social or economic security, must be considered selfish and malicious. Therefore, the intentional abortion of nascent life from conception on, except when extreme circumstances requires termination of a pregnancy to save the life of the pregnant woman, must be judged to be a violation of God's command, 'You shall not commit murder.'

(Book of Discipline Free Methodist Church)

As a congregation we are committed to aid pregnant women seeking abortion with compassionate alternatives and long-term care.

## Late hockey registration will cost you five dollars

by Morley Perrie

At the first minor hockey registration we had 58 players in seven categories:

Born 1982-1986:  
Beginners - 9 players

Born 1982-1984:  
Tyke - 8 players

Born 1980-1981:  
Novice - 6 players

Born 1978-1979:  
Atom - 4 players

Born 1976-1977:  
Pee Wee - 9 players

Born 1974-1975:

Bantam - 7 players

Born 1972-1973:  
Midget - 6 players

House League 1986-1979:  
9 players.

Second minor hockey registration will be held Saturday and Sunday at the Madoc fall fair. There will be an additional charge of \$5 for late registrants. Any girls ages 12 to 16 years, may leave their names at the hockey registration, if they are interested in playing girls hockey.

Late registration will be in the arena during the 84th Madoc Agricultural Fair, September 23rd and 24th.

## Andrea Peters to pursue athletic career

by Janice Pinke

She was named the most valuable player at the Provincial level. She was named the most valuable player at the National level, and in her own league she was crowned 'top pitcher'. Here in Madoc we know her as baseball's sweetheart, Andrea Peters.

Andrea was chosen to play on the Ontario Women's Softball Team at the Canada Games in Saskatoon, back in July. This past August that team captured the gold medal.

Andrea, 18, has appeared in this paper numerous times,

and each time it has been associated with her athletic ability. It's no wonder then that Andrea will be pursuing a career in physical education once she graduates from CHSS next year and then inevitably University.

The Madoc Township resident is playing on the Centurion Senior Girls' Basketball Team this school year.

University choices include those institutions offering Andrea a scholarship. They include two Universities in the United States.

These two unidentified dancers wait their turn at the all new Madoc dance classes to be held every Saturday. The classes include jazz, tap and ballet and they kicked off last Saturday.

Giving back to the community what the Hastings Big Brothers/Sisters Association hosted a free car wash in Tweed last Sunday.

Morley Perrie was busy taking registrations for the 1989/90 season of minor hockey in Madoc last weekend (Sept. 8th). An estimated 50 guys have already registered. Morley says that most players register at the hockey practices. The hockey association will probably have a registration booth at this year's fair (Sept. 22-24) but that has not yet been confirmed. No girl's turned out for the registrations. The arena is due to open October 1st with the Hurricane's playing the first game October 10th. The Madoc & District Figure Skating Club had an excellent turn out for their registrations according to club President Sandy McNeil. Their classes begin October 9th at 5 p.m.

Their first real practice was at an exhibition tournament last Saturday here at the school. Jane Sprague and Carmen Donato coached the junior boys team and will host an exhibition tournament at CHSS Saturday, September 23rd, including teams from Toronto and Ottawa. Spectators are welcome to come out and watch.

The senior girls basketball team, coached by Yvonne Maybo only consists of nine players this year. They will play their first game at St. Paul's in Trenton as will the junior team, coached by Mrs. Jarvis.

## Big brothers month

by Janice Pinke  
Margaret Cooper of the Centre Hastings Big Brothers/Sisters Association is "very disappointed" with the turnout at last weekends (Sept. 10th) fourth annual car rally sponsored by the Association.

Only three cars entered the rally which commenced from Stirling's IGA at 10 a.m. that Sunday morning. September is Big Brothers/Sisters month.

Marg says: "It's a shame because organizers worked so hard to get it going and the sponsors were very generous".

This year's winner was Betty Workman who lends most of her spare time as a volunteer in the Madoc community. Betty received an oil change compliments of Armitage Pontiac Buick, Madoc, and car wash compliments of Tweed Motor Car Sales.

Willemssen's Esso, Madoc, supplied the drinks for the picnic portion of the rally held at Vanderwater Park, Thomasburg.

Nevertheless, it was a fun day says Margaret, two cars got lost, one of which ended up in the Station.

Other events planned for 'Big' month is the roast beef dinner at Madoc's fair, Sunday, September 24th from 4-7 p.m. and a free car wash which was held this past Sunday in Tweed.

### Bossy bingo

Sandy McNeil, President of the Madoc & District Figure Skating Club, was busy last week distributing the 'Bossy Bingo' tickets which she only just picked up from the printers. The \$10 tickets read that the draw will be held at 2 p.m. on September 24th (at the Madoc fair), however, last year 'Betsy' didn't decide the winner until 7 p.m. that evening. Tickets are available at Today's Girl, here at the Madoc Review or from any member of the figure skating club. Only 250 tickets are available.

### Happy birthday to you!

Pat Miville of Pat's Ice Cream Parlour woke up to police sirens and 50 pink

flamingos on her 50th birthday last Saturday morning compliments of her husband Don. Later that morning Pat was

again overwhelmed when a strip-o-gram showed up at her store. Happy 50th Pat!

## Thieves steal \$2,500 worth of wire from Ontario Hydro compound in Tweed

Quinte Crime Stoppers in co-operation with Madoc OPP is asking for assistance in solving a theft with occurred at the Ontario Hydro compound in Tweed.

On Friday, August 25th, 1989 between 4 p.m. and 11:30 p.m. thieves cut a hole in the perimeter fence at the Hydro yard which is located on Highway 37 north of Tweed.

Once inside, the culprits stole approx. 1,400 metres of Alcan Aluminium wire. It is possible that the thieves cut the wire into three metre lengths for easier handling.

Police estimate the loss at \$2,500.

It is obvious that a fair size vehicle, possibly a truck, was used to transport the wire from the scene of the crime. It is also felt the thieves have taken the wire to a scrap metal

dealer where it was disposed of.

If you have any information regarding the theft or disposal of the wire, Crime Stoppers would like to hear from you at 1-800-267-4357.

Crystal Kyte will be six years old soon, so her mom registered her in Broumies last Tuesday night. The sale of calendars kicks off the Broumies/Guides program and their famous cookies go on sale in April. Any persons interested in registering for either of these programs should call Peggy Hyde at 473-2841.

## Thieves stole donation box before fleeing Tweed beer store

**Tweed** - Madoc OPP, Belleville OPP and Belleville City Police joined together to apprehend two Ottawa men of September 11th after the Brewer's Retail in Tweed had its cash donation box stolen. The box contained approximately \$95.

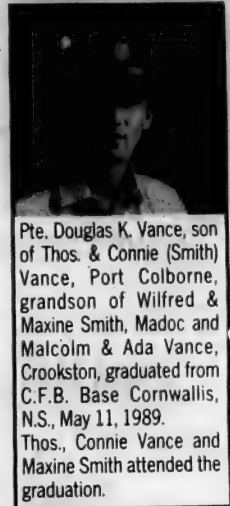

The persons fled in a stolen car on highway 37 towards Belleville. The vehicle was pursued by Belleville OPP and eventually the Belleville City Police were able to stop the vehicle in the City of Belleville.

The driver of the vehicle, James Abraham, 24 years of

Ottawa has been charged with: theft under \$1000, possession under \$1000, possession over \$1000 and dangerous driving.

A second male, Howard Ardent, 21 years of Ottawa was arrested on the 401 highway and charged with: theft under \$1000, possession under \$1000 and possession over \$1000.

Both subjects were held for a bail hearing at 2 p.m. on September 12th.

Pte. Douglas K. Vance, son of Thos. & Connie (Smith) Vance, Port Colborne, grandson of Wilfred & Maxine Smith, Madoc and Malcolm & Ada Vance, Crookston, graduated from C.F.B. Base Cornwallis, N.S., May 11, 1989. Thos., Connie Vance and Maxine Smith attended the graduation.

MP Bill Vankoughnet was in Madoc this past Sunday to speak at a special abortion service at the Madoc Wesleyan and Free Methodist

Church on Elgin Street. Pictured above, along with Bill, is the church's Pastor Aaron Patriquin (l).

Constable Curtis McLean of Madoc's OPP detachment was assigned back to his regular duties as Community Services Officer last Monday (September 11th). Curtis runs the VIP (Values, Influences & Peers) program for grade/six students in Madoc, Marmora and Tweed. Curtis says he is also trying to get the 'Neighbourhood Watch' program established in Madoc but needs some volunteers for street captains, etc. The Neighbourhood Watch program requires that you keep a keen eye on the happenings around your home and street. Any interested persons should contact Curtis.

## Correction

During this reporters holidays back at the end of July, the reporter who filled in for me covered the first story announcing the arrival of dance classes in Madoc.

In his article in the August 2nd issue of this paper, he printed an error which read "Teaching the classes in Carol Brown of the Carol Brown School of Dance in Trenton, and two professional dancers,

Tawny Ruston and Valerie Harrington."

In fact, Carol Brown never intended to teach full-time nor was it implied. However, Tawny Ruston and Valerie Harrington are qualified from the Carol Brown School of Dance.

Also to be corrected is the fact that Nicole Grey of Madoc Village never took dance classes in Trenton, she took them in Belleville.

# Elzevir/Grimsthorpe council minutes

The Elzevir and Grimsthorpe Township Council met in the Council Chambers on Monday, August 21, 1989 at 7:00 p.m. with all members present.

Alex Martin attended Council to inform them that he would be willing to act as Chairman of the Elzevir Township Recreation Committee.

Merv. Lees, Chairman, Jennifer Bagshaw, Norm Braden and George Thompson of the Queensborough Recreation Committee attended Council to request permission to apply for a grant to renovate the Community Centre in Queensborough.

Council agreed to issue the Committee a letter of intent to approve their intended renovations.

Councillor, G. Best, informed the Council that he had resigned from the Queensborough Recreation Committee as Treasurer and as Chairman of the Centre Hastings Community Corrections.

Correspondence was received from Gardiner, Roberts, Barristers & Solicitors, requesting a letter advising whether this corporation is willing to receive all or some of the waste from the City of Peterborough and the Twp. of

Otonabee. The reason for the letter being that the City had applied for an exemption from the Environmental Assessment act for the expansion to the Bersfort Road Landfill Site, and in order to obtain an exemption, the City must first document to the Minister of the Environment that other alternative locations within a reasonable distance of the City cannot receive the City's and the Township's waste. It was moved by T. Stephens and seconded by G. Best that the Corporation write a letter stating that this Corporation is not willing to receive all or some of the City's or the Twp. of Otonabee's waste and this Township is not legally permitted to receive such waste. Carried.

The Essex County Flood Relief Committee requested a donation from this Corporation. It was moved by D. Brough and seconded by S. Roy to receive and file the request. Carried.

It was moved by T. Stephens and seconded by D. Brough to approve four severances for W. LaCroix. Carried.

It was moved by D. Brough and seconded by G. Best to

approve OHRP Loan 1232000051. Carried.

It was moved by S. Roy and seconded by G. Best to petition the M.O.T. for the Interim Subsidy Payment for 1989. Carried.

It was moved by G. Best and seconded by T. Stephens to declare the week of Nov. 20-26 as "Re-cycling Week". Carried.

The applications from R. Harrison for three severances

were brought back. It was moved by G. Best and seconded by S. Roy to advise the Hastings County Land Division Committee to defer approvals until after the Ontario Municipal Board Hearing regarding the adjacent property. Carried.

It was moved by G. Best and seconded by T. Stephens to receive and file the correspondence for information. Carried.

# OBITUARIES

**RT JOHN BURNSIDE**  
Hazard's Corners for Mr.  
eral services were held  
day, August 10th at  
Robert John Burnside of Corn-  
wall. Mr. Burnside, in his 86th

## THE CANADIAN HEARING SOCIETY

PROVIDING SERVICES TO THE DEAF  
AND HARD OF HEARING.

For more information, call us at (416) 964-9595,  
(TDD) 416-964-0023, or write to us at  
271 Spadina Road, Toronto, Ontario M5R 2V3

year died August 7th at Wood-  
land Villa in Long Sault,  
Ontario.

Born at Bannockburn in 1903,  
he was the son of the late Mr.  
and Mrs. Thomas E. Burnside.  
He was the first Director of  
Operations and Maintenance  
for the Saint Lawrence  
Seaway, Director of Canals for  
Canada, Assistant Superintendent  
of the Welland Canal and the  
engineer in charge of the  
Canso Causeway project at  
Cape Breton Island.  
Mr. Burnside graduated from  
The University of Toron-

to, 1927, in Civil Engineering.  
His early education was in  
Madoc.

He was a member of Knox-  
St. Pauls United Church in  
Cornwall and a lifetime  
member of the Masons in  
Madoc.

Mr. Burnside is survived by  
his wife, Ann Helen Lawrie,  
two daughters, Mrs. Margaret  
Klassen of Leamington, Mrs.  
Alice Sprager of Nepean and  
one son, Mr. Thomas Burnside  
of Ottawa, twelve grandchild-  
ren, two nieces, Mrs. Anne  
Boyd of London, Ontario, Mrs.

Helen Dosa of Ottawa and a  
nephew, Mr. Presley Nickle of  
Madoc, two grand nieces and  
two grand nephews. Mr. Burn-  
side was predeceased by his  
sister, Mrs. Grace Allen  
Nickle/Naylor of Madoc.

A visitation for friends was  
held in Cornwall, Ontario on  
Wednesday, August 9th.

Rev. Annette Reinhardt of  
Trinity United Church, Madoc  
officiated during a peaceful  
burial service at Hazard's  
Corners Cemetery in Madoc  
Township.

Funeral arrangements were  
completed by McArthur Bros.  
& MacNeil of Cornwall.

# Candice Webb benefit Sept. 23

## The epitome of courage and resilience

assings on your young cour- (Virgil)

ravery and self-possession words attached to very few ple. For Candice Webb, a 4 year-old Norwood girl, ering from a rare form of odurnal sinus cancer, they don't have anything else to offer except open chest surgery."

fter 17 surgeries - includ- biopsies, implants and empts to remove the sterious tumour; 11 Cat ns and six courses of motherapy, Candice mains an artfully alert, ight and playful young girl ited about her first day in an Williamson's Jr. K. ss at Norwood Public ool, the new season of Bill by shows and her enroll- nt in next summer's local T league.

She never complains," her ther Kathy says. "She's arkable; so resilient." After a four hour surgery jumps out of bed and wants o for a walk.

ut the stark reality is that er living for 3 1/2 years with e fact that something might seriously wrong" Candice, l her parents Kathy and ndy, a foreman with Balter- Contracting in Peterbor- gh, have exhausted all the atments and options avail- e at Sick Kid's Hospital in onto and may be forced to ve the country to renew ir fight against the cancer.

Cat Scans have been unable to pinpoint the location of the tumour and the three attempts to remove it haven't succeeded.

The medical people at Sick Kids have done all they can, Kathy says, but they are at "the point now where they don't have anything else to offer except open chest surgery."

There will be no more radiation or chemotherapy.

"They are really open about the fact that they are doing everything in their power - searching for new drugs, another hospital. That they are doing something for us."

Candice's tale is the tale of a fighter stronger than Mike Tyson.

She was 13 months old when first diagnosed. There is only one other case like hers and he was diagnosed after Candice. This youngster has undergone six surgeries and has been fine for two years.

She spent 32 days in Sick Kid's Hospital after that first diagnosis.

Candice's first surgery was December 3, 1986, and that Christmas they thought the cancer had been removed but at Eastertime she relapsed with another cancerous mass in the pelvis.

It was twice the size of the first.

A radiation course that summer was prescribed. It

**Sisters at play:** Candice Webb playfully holds on to her sister Kala during a lively photo Saturday starting at 8 pm. Tickets are \$5 per person.

**After a Cat Scan in November, they tried to remove the remaining tumour but failed. This was repeated in January. Things apparently stabilized until that Easter when they detected numerous spots on her lungs and an increase in the pelvic mass.**

**At this time, Kathy recalls, they were told there was a very good chance that it couldn't be cured. After radiation, chemo therapy and surgery they still "weren't sure why she was relapsing."**

**On May 3, the Webb's received a call from the Children's Wish Foundation and on May 7 Candice had lunch (and probably entertained) the**

**Smiles:** Kerstin Scott of Norwood became the 18th Queen of the Norwood Fair at Saturday evening. She is joined by the 1988 Norwood Fair Queen, Rochelle Havelock of Havelock. Rochelle was a delightful Norwood Agricultural Society representative and Kerstin is sure to follow the distinguished steps of her predecessors.

## The 1989 Campbellford Trade Fair

**by Brian Carruthers**

The Campbellford/Seymour Agricultural Society is all set to put on the first trade show at the arena on September 29, 30 and October 1.

The Trade Fair will have things from aluminium to vacuum cleaners, new equipment of all kinds, special innovative ideas, free draws and lots and lots of door prizes. In the area of new equipment there will be 1990 automobiles on display courtesy of Kal Ojamae Ford as well as some boats and related equipment from Hastings Marine. As for draws some of the participating companies will be holding their own and there will be lots of door prizes, such as a gas BBQ donated by Coles Appliance Parts, a seven piece silver plate coaster set from Rebethage's Jewellers and from Coxwell's a Keirstead print.

A local musical group, Bridge St. will entertain from time to time throughout the Fair.

The Chamber of Commerce will, holding a Pock BBQ in

conjunction with the Trade Fair. The cost is \$7.50 for adults and \$4 for children under 12. Speaking of food the food booth at the arena will have the usual fare of hot dogs, hamburgers and sandwiches and will be run by the Recreation Department.

The official opening takes place at 7 p.m. on Friday evening, with local politicians and dignitaries on hand to help out.

The hard working Trade Fair Committee consists of Brian Redden, Frank Haig, Murray Heath, Lella Grills, Gene Brahaney, Ed Stevenson, Ian Davis and Jim Trotter.

"This year is a learning experience," said Fair Board President Brian Redden in a phone interview with the Courier. "We are already over budget but some of the equipment we purchased will be used in future shows."

Participants can set up after 9 a.m. on Thursday.

Be sure to look for the Couriers Special Trade Fair supplement in next week's paper.

The Campbellford More Able Than Disabled Club meeting held Friday evening September 9, at ARC Industries, greeted and welcomed the Board of Directors of P.U.S.H. East with coffee and Sept. 6th copies of the Campbellford Courier with the caption "P.U.S.H. East Comes to Campbellford". How proud the Board members were with this newspaper welcome!

On Saturday, Sept. 10, local members attending the meeting were Terry and Agnes Kennedy, Jan Scheidt, Terry McSweeney, Doris Gilbert, Doreen Sharpe, Aureen Richardson and myself.

It was most interesting, listening to the detail of Francine Arsenault, President, and hear about the problems and see how P.U.S.H. Ontario was handling each one. What remarkable work P.U.S.H. is doing!

In the Ontario Housing study, there are to be a proposed 30,000 units accessible to handicapped.

Regarding the Disabled Person for Employment Equity Program, Francine told of one bank that had been taken to court for having less than the required percentage of disabled persons on staff. Doreen Sharpe reported that the Campbellford T.D. Bank had contacted her regarding disabled workers. Board

## P.U.S.H. East visits Campbellford

member Helen Belmore, told us of the computer course she had taken through Kingston's Independent Living Centre and is now an employee of the T.D. Bank there.

Doris Turner told us of tying their Mayor of Cornwall in a wheelchair and having him shop for a list of groceries, during National Access Awareness Week. At half-time, he was blind-folded and had to shop as a blind person. At the end he stated, "Now I know why P.U.S.H. fights so hard. I was not really aware of the difficulties until I was tied in the chair."

Paul Clark of Brockville, spoke of the success that three disabled people had conducting Bingos. This success provides money for other projects.

From Campbellford, Aureen Richardson told of the success

The P.U.S.H. Board - P.U.S.H. East came to Campbellford last weekend and met with the More Able Than Disabled Club. Here the Board of Directors poses as they prepare to leave for home after the weekend long get together. They are front row (l-r) Francine

Arsenault of Perth Village and Helen Belmore of Kingston. Back Row Doris Turner of Cornwall, Laura Kropp of Kingston, Paul Clark of Brockville and Aureen Richardson of Warkworth.

of the "More Able Than Disabled" column, printed weekly in the Campbellford Courier newspaper. That reaches the communities of Madoc, Marmora, Havelock, Norwood, Campbellford, Hastings, Stirling and the rural areas of these communities. The areas are kept up-dated with all current disabled information available.

At the end of the discussion period, Francine Arsenault, Provincial President, commented on the 9 projects in

what of the one percent left, (note the ninety nine percent is intended as a figure of speech and has no basis in fact).

If Bill 149 is passed in it's presently intended form then property owners operating publicly used property are affected. This absolute discretion to accept or reject persons on your public premises is contrary to the Human Rights commissions interpretation.

As I read the thing it says in order to evict undesirable from the premises you must first post rules of conduct for the Property or Premises, written notice then must be given for reason of eviction. The offender may reciprocate in writing and thus regain access until the problem is resolved by the court. Of course the offender must state in writing that the rules are unfair.

Numbers is the name of the game when dealing in politics and if you leave it up to someone else to contact M.P.'s and write letters and someone else leaves it up to you then it doesn't take any great mentality to figure out it doesn't get done. Somebody worked to get it this far.

I cannot refrain from a comment about the two groups involved in the algae problem in Moira Lake and Stoco Lake.

Cont'd to page 8A

Criticism is the easiest job in the world, providing that one is just doing so as a conversation piece. Now if one is going to constructively criticize then one must put some effort into the process. Only through open discussion and commitment does the process become of value. research and intelligent rationale become an absolute necessity. All too often it is simply criticism for the sake of talking.

Criticism becomes useful only after it becomes a discussion by knowledgeable persons in that particular field and those affected by the result of the subject being discussed.

Now after all that I feel that some of our local business people should be getting together to criticize and discuss Bill 149 before it becomes law and to get their concerns looked at by the politicians representing them. This Bill will amend the Ontario trespass and property act in favor of John Q. Public, ninety nine percent will be no problem, but

## EMPLOYER HEALTH TAX

In January, 1990, Ontario Health Insurance Plan (OHIP) premiums will be replaced by the new

### EMPLOYER HEALTH TAX (EHT).

All employers with permanent establishments in Ontario will be required to pay this tax through monthly or quarterly instalments based on total calendar year gross payroll.

### THE ONTARIO MINISTRY OF REVENUE

which is responsible for administering this new tax, mailed an **INFORMATION REQUEST** to Ontario employers on August 28, 1989. Information provided by employers to the Ministry will be used to determine if tax is payable. As well, the Ministry will send employers further information as it becomes available.

If you are an employer in Ontario and have not yet received an **INFORMATION REQUEST**, please call the Ministry, toll-free, at the numbers listed below:

- for all area codes 1-800-263-7965
- for users of a Telecommunications Device for the Deaf 1-800-263-7776

## P.U.S.H. East visits Campbellford

Cont'd from page 2A  
the works in the next six months. These projects include: housing, access to public library, pensions, curbs on sidewalks, community support, games for the physically disabled, drug and alcohol abuse, education and T.V. Ontario.

Paul Clark thanked the Campbellford group for host-

ing them at Arc Industries, and also thanked Raymond and Aureen Richardson for the superb breakfast and lunch.

We gave a great round of applause, to show our appreciation for their visit.

Thank you Aureen and Raymond!

## The Rural Scene

Cont'd from page 3A  
as I read the reports it is encouraging to see that the discussion approach involving knowledgeable people is being utilized and that all concerns plus the facts of reality are being given consideration. The cottagers groups are to be commended for their efforts. I see that both groups have recommended assessment not only of the Lagoon systems but the sewage facilities utilized by the cottagers and Lakeside residents as well. This shows an honest concern for all

aspects of the problem. For those who have never been involved in something like this, I might point out it is not easy, emotions often run high as do self protection. It takes real determination and expertise to see these things through. Again a pat on the back for both groups.

Back to school? The student coming in late remarked to the teacher I'll be bright and early to-morrow. The teacher replied, Don't promise too much, just promise to be early.

## Candice Webb benefit

Cont'd from page 1A  
Disney characters in Florida. A new course of chemotherapy started in June along with new drugs which apparently concentratd in her bladder causing it to bleed. Her whole bladder was raw from the drugs. After four nights of bleeding and transfusions the bleeding stopped.

Kathy also praised the staff at Peterborough's Civic Hospital. Candice is the only child that Civic gets who needs treatment when not at Sick Kids, she explained.

Candice knows all the nurses there and her recreational and childlife therapist, Liz, is a special friend.

And their pediatrician, Michael Boyer, has been so compassionate and caring, Kathy says. Candice just loves him.

Candice even stars in a Civic Hospital videotape that helps nurses on staff learn the infusion technique that she must undergo at the hospital. A nurse travelled from Toronto to teach the Civic staff. The procedure is never done unless Kathy is there - she is the expert.

Civic saved us numerous trips to Toronto, she says. I wish everything could be done there. The Webbs, and that includes two-year-old sister Kala and brother Brandon, 6, are prepared to do anything for Candice and that, unfortunately, may mean leaving the country. Uprooting the family could be expensive.

"I would go to hell and back for the kids," Kathy says.

Candice is a delight. But she knows nothing but hospitals - her second home - where she spends a lot of time reading, doing puzzles, learning to count and to understand the alphabet while fighting a fight well ever face.

And end to the Sick Kids options is "not good enough for me," Kathy says, "there has to be somewhere else."

Our blessings are with the Webbs.

## A GLOVE THAT TALKS

From "The Independent Living Newsletter"

Palo-Alto, Calif. — People who are both deaf and blind can converse, joke and quarrel by touching hands with someone who understands finger-spelling. Soon, by slipping a hand into a special glove designed by a Stanford University Engineer they may be able to speak aloud.

The glove, which is still in the prototype stage, contains sensors that relay the angle and position of the fingers to a pocket-sized computer worn on the belt. The computer recognizes the standard finger-spelling used by the deaf-blind people and "speaks" the hand signals, word by word, through a half-dollar sized speaker worn around the neck like a pendant.

To respond, you type into a calculator-sized keyboard that transmits your message to a braille display on the belt computer, which the deaf-blind person reads as you type.

In the meantime, the talking glove could free deaf-blind people from their dependence on interpreters.

## SMILE

A hammer sometimes misses its mark - a bouquet never.

## CARROT OATMEAL COOKIES

Very old-fashioned, big, soft, spicy cookies, children love. They are very good keepers and surely more nourishing than commercial cookies.

1 cup of firmly packed brown sugar

1/2 cup of soft margarine

2 eggs

1/3 cup milk

1 cup grated raw carrots

1 and 1/2 cups all-purpose flour

1 teaspoon baking powder

1/2 teaspoon soda

1/2 teaspoon salt

1/2 teaspoon each of cinnamon and nutmeg

2 cups of oatmeal

1 cup of raisins

Cream the sugar, shortening and eggs until light and creamy. Add milk and carrots and stir until well mixed. Sift together flour, baking powder, soda, salt, cinnamon and nutmeg. Add remaining ingredients and stir until raisins are well coated with flour mixture. Mix with creamed mixture. This is a fairly stiff batter. Drop by spoonfuls onto a greased cookie sheet and bake in a 350 degree pre-heated oven about 15 minutes, or until brown all over. Yields about 4 dozen cookies.

**THE FAMILY** of the late  
Anne Haley wish to express  
their gratitude to relatives,  
friends and neighbours for  
visitations, floral tributes,  
charitable donations and  
gifts of food. We wish to  
thank Father Chisolm for his  
guidance and help during  
our bereavement, also to the  
ladies who provided lunch  
for us at the hall. A special  
thank you to Helen Gurney  
for her many acts of kind-  
ness. Also to Barb Coles,  
Alan and Winifred Ketcher-  
son. We truly appreciate  
what you have done. The  
family extends their thanks  
to the McCoslin Funeral  
Home for their consideration  
and help. From the relatives  
of Anne Haley  
613-473-2937

**MADOC** Downtown, 1  
bedroom apartment, land-  
lord pays heat & hydro.  
Available now. Phone  
613-473-5389

**STORE** For rent, 800 sq ft.,  
4 Front Street, Stirling.  
\$325.00 per month including  
all. Call Jims Pizze,  
613-395-5111

**THE FAMILY** of the late Carl  
Wartman would like to  
express sincere appreciation  
to friends, relatives and  
neighbours for their kind-  
ness, sympathy, flowers, and  
memorial donations at the  
passing of a dear husband,  
father, and grandfather.  
Thanks to Rev. Reinhardt for  
his comforting message. The  
Cooper Women's Institute  
for the lunch following the  
service and the McCoslin  
Funeral Home for their care  
& support.

**THE Marmora** Agricultural  
Society would like to thank  
everyone who worked so  
hard to make our Fair a  
success this year. We hope  
to see everyone back for the  
100th Fair in 1990.

**THE (WEST) Family** would  
like to thank each and  
everyone who has helped  
towards Jassie West's  
Funeral Home. Words can  
never express enough how  
much we appreciate the  
kindness and community  
we have here. We need the  
love and support of all.  
(JASIE) KEEPING, our  
dearest love for the way she  
went out immediately when  
we were still in the U.S.A.  
and raised funds to help pay  
our expenses. Tina & Kathy  
Strong, thank you for taking  
up a cash jar collection  
(DENISE - JOYCE) COLURI,  
you're a good friend. Thank  
you so much for taking care  
of our dogs and home, and  
especially thanks to Cordova  
Mines Recreation and neigh-  
bours for the gifts of fruit  
& food for my family. Each  
and everyone has been a  
blessing to us, and we love  
you all. Inasmuch as we  
have done it unto one of  
the LEAST of these my  
Brethren, we have done it  
unto me. God bless. Rev. Robert  
and Sharon West and Children

**SPECIAL** Thanks to my  
neighbours & friends in the  
Tanner Road district. Also to  
the members of the Free  
Methodist Church who sent  
flowers, cards, etc. in my  
recent bereavement. Shelia  
Clark

**"THE Celebration of our  
65th Wedding Anniversary**  
is most memorable day for  
us!" We thank all who  
attended, helped in any way,  
sent cards, flowers, gifts and  
best wishes.

**THE FAMILY** of the late  
Anne Haley wish to express  
their gratitude to relatives,  
friends and neighbours for  
visitations, floral tributes,  
charitable donations and  
gifts of food. We wish to  
thank Father Chisolm for his  
guidance and help during  
our bereavement, also to the  
ladies who provided lunch  
for us at the hall. A special  
thank you to Helen Gurney  
for her many acts of kind-  
ness. Also to Barb Coles,  
Alan and Winifred Ketcher-  
son. We truly appreciate  
what you have done. The  
family extends their thanks  
to the McCoslin Funeral  
Home for their consideration  
and help. From the relatives  
of Anne Haley  
613-473-2937

**MADOC** Downtown, 1

**THE FAMILY** of the late Carl  
Wartman would like to  
express sincere appreciation  
to friends, relatives and  
neighbours for their kind-  
ness, sympathy, flowers, and  
memorial donations at the  
passing of a dear husband,  
father, and grandfather.  
Thanks to Rev. Reinhardt for  
his comforting message. The  
Cooper Women's Institute  
for the lunch following the  
service and the McCoslin  
Funeral Home for their care  
& support.

**THE Marmora** Agricultural  
Society would like to thank  
everyone who worked so  
hard to make our Fair a  
success this year. We hope  
to see everyone back for the  
100th Fair in 1990.

**THE (WEST) Family** would  
like to thank each and  
everyone who has helped  
towards Jassie West's  
Funeral Home. Words can  
never express enough how  
much we appreciate the  
kindness and community  
we have here. We need the  
love and support of all.  
(JASIE) KEEPING, our  
dearest love for the way she  
went out immediately when  
we were still in the U.S.A.  
and raised funds to help pay  
our expenses. Tina & Kathy  
Strong, thank you for taking  
up a cash jar collection  
(DENISE - JOYCE) COLURI,  
you're a good friend. Thank  
you so much for taking care  
of our dogs and home, and  
especially thanks to Cordova  
Mines Recreation and neigh-  
bours for the gifts of fruit  
& food for my family. Each  
and everyone has been a  
blessing to us, and we love  
you all. Inasmuch as we  
have done it unto one of  
the LEAST of these my  
Brethren, we have done it  
unto me. God bless. Rev. Robert  
and Sharon West and Children

**SPECIAL** Thanks to my  
neighbours & friends in the  
Tanner Road district. Also to  
the members of the Free  
Methodist Church who sent  
flowers, cards, etc. in my  
recent bereavement. Shelia  
Clark

**"THE Celebration of our  
65th Wedding Anniversary**  
is most memorable day for  
us!" We thank all who  
attended, helped in any way,  
sent cards, flowers, gifts and  
best wishes.

# Conservation Corner... by A. Engel

## Let's return returnables

The concept of the returnable container makes more sense now than ever before. Most of our garbage consists of packaging and containers which are not returnable.

There is no reason why jam, mayonnaise, pickles, honey and other such food jars can't all be made to the same standard sizes and shapes. Bottles which contain ketchup, syrup and other such liquids could also be standardized. They should all be returnable, but our governments have their heads buried in the sand ignoring this necessity. Some soft drinks are still sold in non-returnable bottles as are the popular alcoholic "coolers". There's no acceptable excuse

for allowing use of these non-returnable bottles.

Here's some ways we can help get the returnable containers back on track:

- 1) Dust off the old thermos and use it instead of those "convenient" and resource-greedy drink boxes. It's less expensive and the thermos does a better job of keeping your drink cold.
- 2) Buy soft drinks in returnable bottles only. If you're feeling a bit radical, make a pointed remark to the store owner about not buying a certain soft drink because it's not in a returnable bottle.
- 3) Take a few minutes to write a short note to your provincial member of parliament. Ask him or her why soft

drinks and alcoholic beverage bottles aren't all returnable. Ask him to make it law that all glass containers be made standardized and returnable.

4) Buy economy sizes whenever you can. It's less expensive and you'll be throwing out less often.

5) Wash and save jars to use for holding left-overs, dry goods and so on

6) Fill in this one yourself and send it to Conservation Corner, car of box 586, Stirling. Good ideas will be passed on in future articles.

In the next column we'll take a look at packaging. Please clip and save this article for future reference.

## Madoc mom under investigation

A Madoc mother is under investigation by Madoc OPP for applying a tattoo on two girls ages 12 and 15 here in the Village.

Investigating officer Constable Hill says the girls found the tattoo fashionable and attempted to conceal them.

Madoc OPP want you to report any tattoos found on your son or daughter. Both girls were found to have tattoos in the shape of little hearts 1 cm in size.

The severity of this task is revealed in the following letter

sent home with students of Madoc Public School recently. The letter reads:

"It has recently come to our attention that several students in the community are being tattooed with needles and ink.

A person receiving a tattoo runs the risk of contracting

blood diseases, specifically Hepatitis B and AIDS, when tattooing needles are reused.

We will be cautioning students against getting tattoos and recommend that you discuss this topic again with your child/ren. If you find

that your child has acquired a tattoo we request that you see your family doctor or visit the Health Unit.

Thank you for your co-operation.

It's signed by the Principal, Laurie Anderson.

## Steve Bancroft to sign contract October 1st

by Janice Pinke

Madoc's future NHL star, Steve Bancroft, is in the midst of negotiating a contract with his drafters, the Toronto Maple Leafs. However, nothing has been signed as reported in a Belleville paper recently says Steve's father, ReMax agent Bob Bancroft.

Terms of the contract have been verbally agreed to says Bob, but the official signing

date is October 1st. Bob says he is "ninety-nine percent sure" his son will return to the Belleville Bulls this coming hockey season.

Steve is still at the Leaf's training camp and he played against the Quebec Nordiques in an exhibition game last Tuesday, September 19th. The Leaf's beat the Nordiques that night, 4-1.

The building committee for the Queensborough United Church held a brief sod turning ceremony on the lawns of the Church last Wednesday evening. The Church's new 810 square foot addition is due to be completed the coming spring season. Turning the first sod is Jim Gordon. Also on hand were committee

members (from left) Lorne Hagerman, the Church's Minister Jeff de Jonge, Allan McCoy, Evelyn Boyle (who represents the Eldorado United Church on this committee) and Sandy McNeil. Absent were Pauline Harris and Gordon Holmes.

## Program is catching up

by Janice Pinke

The 'Ident-a-kid' program which has been at Madoc's fall fair for the past three years wasn't there this year because "we are catching up" says organizer Micki McLean.

President of the Block Parent Association, Micki says that the program will be brought back for one day

during 'Block Parent Week' at the end of October (22nd-28th).

Exactly what day during that week has not yet been pinpointed but parents will be notified because consent forms need signatures.

The first year the Ident-a-kid program was featured at the

fair, over 300 kids were fingerprinted. The second year approximately 200 and the third year numbers contracted to around fifty. According to the Royal Air Force, this means we're catching up says Micki.

Mrs. McLean says the program will be back at the fair next year.

## Crime of the week

Madoc OPP are investigating a theft from the Madoc Radio Shack Store (Pigden Electronics) which is located at 31 Durham Street in Madoc. Sometime between 6 p.m. on Thursday, Nov. 17 and 12:30

p.m. on Saturday, Nov. 19, 1988, thieves made off with a VHS camera from the store.

Police describe the camera as being a Panasonic model no. PV400-K, serial number H8WA10183. The camera was

being displayed in the front window of the store and did not have a battery, a charger or an adapter. In order to make the camera operational, these items would have to be purchased.

Carolyn Heap, 11, of Tweed is one of over 100 other handicapped children in eastern Ontario, to be selected for a one-day excursion to Disney World in Orlando, Florida. Above she displays a map inside a book entitled the 'Disney World Handicapped Guide Book'. She leaves October 4th on a 747 jet out of CFB Trenton. Turn to the front page of the Midweek section.

The induction of the new officers of Madoc's Kiuania Club was held last Wednesday night. (back from left) Past President Deryk London, Lt. Gov. for District 11 Keith Jennings, Secretary Mike Ryan, President Jim Denison, (front from left) Treasurer Dave Brazeau, Second VP Hugh Johnston and First VP Burrell Bateman. Directors for the Club are Don Smith, Steve Moore, Deryk Freisleben, Dan Jones and Grant Kyte.

## Madoc OPP report

Madoc OPP charged two Madoc area men after an incident on September 11th where shots were fired at a scarecrow in a yard. Pellets from the shot struck a house and police were called.

Charged with careless use of a firearm is Steven A. Vilneff. 21 years has been charged with impaired driving and driving with over 80 mgs of alcohol in his system.

Madoc OPP are investigating a break, enter and theft to Johnston's Pharmacy in Madoc on September 16th. Thieves broke into the store and removed a large quantity of drugs. Constable Rob Bonter is the investigating officer.

Madoc OPP have several bicycles at their detachment. Anyone missing a bicycle should call the OPP at 473-4234.

The OPP at Madoc recommend to anyone requiring a Firearms Acquisition Certificate before hunting season that they complete an application as soon as possible. The usual time to process an application is two weeks. As hunting season approaches the volume of requests increase. If your application is not in early enough you may not have it back in time for the 'hunt'.

In 1988, 203 persons were killed after being ejected in motor vehicle accidents investigated by OPP. The Madoc detachment wishes to remind motorists that the use of seatbelts is mandatory. Only persons possessing a certificate from a medical practitioner are exempt. As accidents can happen anywhere and at any time these provisions

apply to both short and long trips. Officers from Madoc will be making an extra effort to ensure compliance with this law.

The school year is once again in full swing. Motorists should be extra careful when driving in school zones. Our children are not careless they are carefree. By being extra careful behind the wheel we can ensure a safe and happy school year for our students.

# CENTURION HIGHLIGHTS by Shannon Smith

Wednesday September 20th was the first student council meeting at C.H.S.S. This year there were no elections, but rather nominations.

The President this year is Kerri Allin and the Vice President is Ian Ketcheson.

Also on Wednesday there was a seminar for the O.A.C. students. The speaker was a representative from the Ministry of Colleges and Universities. The students were briefed

on such topics as application forms and procedures, student loans, acceptance requirements, how to choose the school for you, residences and more. Students found the seminar very useful. A speaker from Sir Wilfred Laurier will be at the school on September 27th, to discuss similar topics. On Friday September 22nd, the student council and the guidance office hosted a "Welcome to C.H.S.S." B.B.Q. for grade 9 students. The B.B.Q. was held on the football field during junior lunch and was designed to make grade 9's feel welcome and also to introduce them to student council reps, and guidance staff.

This year there were 33 students enrolled in the Co-op program. Monday, September 18th, was their first day at their placements in and around the community. The school would like to thank their employees for participating in this program.

Don't forget about the Terry Fox Run (Fox Trot) on Wednesday September 27th, beginning at approximately 1:45 p.m.

The CHSS school events

## Funding is being put in place

by Janice Pinke

Funding for Granmarble Inc., a state-of-the-art plant which promises to employ an estimated 125 people from Madoc and area, is being PUT in place according to company spokesman James Donoghue of James Donoghue and Associates Incorporated in Ottawa.

Donoghue told the Madoc Review in a telephone interview last week that currently nothing is official but Donoghue says the marble company expects it's funding to be finalized in the next couple of weeks.

Details of the multi-million dollar company to be estab-

lished in Madoc Township, were revealed in June by MP Bill Vankoughnet. The June press conference revealed an offer of assistance from the Federal government for Granmarble Inc., in the amount of \$4,664,621. This offer is not accessible until construction has started in Madoc Township.

Currently, according to Donoghue, company officials are optimistic a plant will be established here and news of such should be announced probably sometime in October, however nothing is ever a certainty.

calendar will not be posted in the IGA this year because "it was not being used enough" according to Mrs. Powell. As a result the calendar will appear in the Madoc Review as it is available starting with...

Sept. 27 - CHIC Terry Fox Run (Fox Trot) beginning at approximately 1:45 p.m.

Sept. 28 - Junior girls' basketball, CHSS at Quinte S.S., starts 4:30 p.m.

Sept. 29 - Junior & senior football at Napanee.

CHSS's events calendar for October will appear in the next edition of the Madoc Review.

# Queensborough News

The September meeting of the Queensborough branch of the W.I. was held in the hall on Wednesday September 13, beginning at 8:00 p.m. with Mrs. Alex Clarke, Pres. in charge.

Mrs. Clarke opened the meeting with a poem followed by O'Canada, the Ode, and Mary Stewart collect.

The Roll Call "Name a Country in the A.C.W.W." showed 12 members and 3 visitors present.

The minutes of the last meeting were read and a short business discussion followed.

It was decided to collect for the C.N.I.B. again this year

and decided also to give a donation to Madoc Fair Board.

Mrs. Arthur Holmes convenor of International Affairs was in charge of the Programme. She began with a contest, name a Country beginning with the letters from A to Z. Mrs. Ken Cassidy and Mrs. Lynn tied as winners.

A comedy skit was put on by Mrs. Holmes, Mrs. Clarke and Mrs. Ramsay. Goldie then gave a reading of a little boy describing a cow. She also told of the people from different Countries who had visited her to see her quilts and wall hangings. Also reading some sketches from letters she had

received from several places in Europe and United states etc.

Mrs. Holmes then showed motion pictures of the exhibition of quilts and hangings she had given in the spring of 1988 at the Gallery in the Grove near Sarnia. This was a very interesting program. Mrs. Clarke read -one of Goldies poems about the beginning of her quilt making hobby.

The meeting closed with the "Queen"

Lunch was served by the hostess Mrs. Clarke and her assistants, Mrs. McNeil and other helpers, with a social time being enjoyed by all.

# Hurricane news...

by Don Milville

Webster defines a ZEPHYR as a Soft, Gentle Wind; and a HURRICANE as a Wind of the highest degree of force, moving at more than 75 miles an hour.

A paradox in the title, maybe? Not so. This is one of many articles about Madoc's own Hurricane, the M.T.M. HURRICANES that is. Thhe ZEPHER refers to the

news from the Hockey Club, soft and gentle, whereas HURRICANE, as it relates to the Hockey Club, will be self-explanatory as the season progresses.

In order to make ANY sports organization great, a great deal of VOLUNTEER help is needed. The M.T.M. HURRICANES are no exception, they need a lot of volunteers to help with the various events that the Club sponsors. If YOU can find a small bit of time to help,

please come forward and let us know. We'll have more details in later "ZEPHERS".

One of the Money-making ventures that the Club is undertaking, is the sale of "NEVADA" tickets. There's no need to explain to anyone, what NEVADA is all about, only to let you know where you can purchase NEVADA tickets... They will go on sale at Willemssen's, Esso (St. Lawrence St. E. and Wellington) on Friday, Sept. 22, and will be available continuously thereafter at Willemssen's.

Shortly, tickets will go on sale, as in previous years, for a number of draws. This year, the draws will be handled differently than before, in that this year, the draws will be giving away a total of \$8,000.00 instead of \$6,000.00 as in previous years. There will ONLY be 400 tickets sold, and a total of 33 draws. This makes the odds of winning in your favour, in that 1 in every 12 tickets will be a winner.

In addition, the prize money per draw will be increased from \$100.00 per ticket to UP to \$1,000.00!! Yes that's right, \$1,000.00.

This year, the draws will all take place at the Hurricane's home game on Tuesday, December 19, 1989, just in time for Christmas.

Before that game starts, there will be 11 draws, the first one for \$500.00 and ten more for \$200.00 EACH. Then all the drawn tickets will be put back in the drum for the next draw, which will take place during the 1st. intermission. At that time, another draw will be made for \$500.00, plus 10 more draws for \$200.00 each. Again all drawn tickets will be put back in the drum for the final draw during the 2nd. intermissions. At that time, the first ticket drawn will be for \$1,000.00 and ten more draws for \$200.00 each. We will be announcing when tickets will go on sale, as soon as we get them from the printer. Make sure you don't miss out on the sale, because once the 400 tickets are sold at \$30.00 each, it will be too late to get yours. You can put in your advance order for tickets, if you wish, with Paul Downey at Madoc I.G.A.; Morley Perrie, who is always around town somewhere; Kates Place on Durham St. N.; or Pat's Ice Cream Parlour on St. Lawrence St. W., to name just a few places where tickets will be available.

The first HURRICANE home game will be on Tuesday, October 10, 1989 at the arena (where else), at 8:00 p.m. against the Napanee Raiders.

This is a NEW season, in NEW league, with NEW teams.

Come on Madoc, Tweed & Marmora and surrounding areas, support YOUR local Junior "C" hockey team, come out to the games and cheer YOUR team on to VICTORY.

The Booster Club will be at all home games also, and this will be your chance to join the Booster Club. win prizes for being a Booster, and pick up Club Souvenirs.

I mentioned needing volunteers earlier, and the Booster Club is one of the places we can use volunteers. We need people to staff the Booster Club, please call Sandra Coffin at 365-3212 if you can help, even if for only 1 game a month.

## Disney World

Tweed resident, Carolyn Heap, 11, along with another estimated 125 handicapped children, will fly out of CFB Trenton on October 4th, for a day at Disney World, Florida, thanks to the Sunshine Foundation of Canada.

by Janice Pinke

"Oh, bummer" says eleven year old Carolyn Heap once she realizes that the Swiss Family Robinson tree house in Disney World, Florida, isn't accessible to persons confined to a wheelchair.

On October 4th, Carolyn, along with another estimated 125 handicapped kids from around eastern Ontario, will board a 747 jet at CFB Trenton in the early morning hours. Their destination: Disney World in Orlando.

Thanks to The Sunshine Foundation of Canada, a non-profit organization which is wholly independent and dedicated to fulfilling the dreams of terminally-ill, seriously-ill, or severely disabled Canadian children, Tweed resident Carolyn Heap will be able to see Disney World when she otherwise wouldn't be able to.

The some 125 handicapped kids will arrive in Orlando at approximately 9 a.m. October 4th. At this time they will be transported to the 'Magic Kingdom' where each child will be teamed up with a U.S. marine.

Each child will then be given \$25 (U.S.) spending money and a Sunshine Foundation hat and t-shirt.

At 9 p.m. that evening they will again board the 747 and arrive back at CFB Trenton sometime before midnight.

Carolyn's therapist at Belleville General Hospital submitted Carolyn's name to the Sunshine Foundation's 'Dreamlift' campaign without the Heap family knowing anything. Carolyn was one of the thousands who applied, to be selected.

Jerry, Carolyn's dad, tells her daughter she "better not bring any sailors home". Carolyn jokingly pouts.

Carolyn Heap, at eleven years of age, has adjusted to her handicapp, cerebral palsy. Cerebral palsy is any paralysis affecting the ability to control movement and caused by brain lesions resulting from a pre-natal defect or birth injury.

The bright-eyed Carolyn enjoys horseback riding at Quintra and proudly displays the ribbon she won doing just that. She's a grade five student at Tweed Hungerford Senior School, a girl guide and a member of the junior choir at St. John's United in Tweed. She has one brother, Gordon, 8.

The admirable Miss Heap

People in British Columbia who use three-wheeled motorized scooters, are relieved by the decision of BC Transit that allows them to travel on buses while still seated in the scooters.

In December 1988, the BC Transit Board of Directors approved a policy which restricted the operators of handyDART, the specialized bus service for disabled persons, from transporting people who are seated on three-wheeled scooters. The scooters would still have been transported, but bus riders would have to transfer to a regular seat.

BC Transit cited safety concerns when approving the policy, stating that wheel-chair tie-down devices currently in the handyDART buses were not designed for the three-

# More Able Than Disabled by Barabara Pealow

## Scooters allowed by BC Transit

wheeled scooters, but for conventional wheelchairs.

British Columbia Division members led by Board member Lynn Meredith reacted immediately to have the restrictive policy lifted. Their lobbying efforts paid off, and on June 1st, 1989, BC

Transit announced it would be allowing the transport of people seated in scooters and would undertake a 15 month study in hopes of striking a balance between transporting people safely and providing mobility for people who have disabilities.

Other provinces and municipalities have said that their policies concerning the transport of people seated in scooters were under review, and some have indicated that restrictions might be placed on bus system operators. The National Social Action Committee is completing a review of the situation across the country.

### KITCHENER COMPANY TO CONSTRUCT REHAB POOL

A stainless steel pool to be used by the sports therapy

department at Mount Sinai Hospital will be constructed by Acapulco Pools of Kitchener, Ontario, with pool sections and filter tank from Nationwide Pools of Columbus, Ohio.

The pool design includes an access ramp for wheelchairs and nine hydrotherapy jets to allow water massage of client's limbs and joints.

All pipe and fittings are made of high-temperature C-PCV plastic or stainless steel to minimize corrosion.

For information, contact J. Doug Paton, Aquatic Consultants Inc. P.O. Box 8145, Dundas, Ontario, L9H 5E7, (416) 627-3133.

### SMILE

Happiness is not having what you want, but wanting what you have.

### NOVA SCOTIA RIDING

### FOR THE DISABLED ASSOCIATION

Mary Newcombe of Halifax had the opportunity to meet Her Royal Highness, Princess Anne, who was the guest of honour at the 60th anniversary of the Royal Winter Fair in Toronto last November. Ms. Newcombe attended the fair as a representative of the Nova Scotia Riding for the Disabled Association. She has had MS for almost 20 years and has been taking part in therapeutic riding since 1985.

The Royal Princess is the patron of the Canadian Therapeutic Riding Association. Mary Newcombe says that horserback riding has improved her balance and muscle tone and made her much more self-confident and independent - despite being allergic to horses!

### RECIPES

This mincemeat is not only superb in pies and tarts but special when heated, set aflame with brandy and poured over ice cream.

**Green Tomato Mincemeat**  
3 lb. green tomatoes, chopped

3 lb. tart apples, peeled, cored and chopped  
2 1/2 lb. brown sugar  
1 lb. seedless raisins  
1 cup suet, finely chopped  
1/2 cup vinegar  
1 tbs. each: cinnamon, cloves, nutmeg, allspice and salt.

Combine all ingredients, and bring slowly to the boiling point. Reduce heat, simmer until quite thick.

Option: Omit the suet, and stir in 3/4 cup butter after the mincemeat has simmered.

## New business financing available

**KINGSTON**-If you're looking for financing to start a new business, or if you're thinking of improving or expanding your present business, then review any proposal that makes sound economic sense. "We are selective," says Merkley, "but we'll consider any proposal that promises to develop the province."

Most of the projects that EODC finances involve plant and equipment expansions, productivity improvements, export sales, new manufacturing start-ups and the development, expansion and upgrading of tourist facilities.

Merkley will be in Tweed on Oct. 2; The morning of Oct. 3, Merkley will be in Cloyne and Sharbot Lake in the afternoon; Perth on Oct. 4 and Westport on Oct. 5.

To make an appointment, call EODC at the Kingston office. Long distance calls can be made toll-free by asking the operator for Zenith 42920.

mark the week of Oct. 2 on your calendar.

That's when Eastern Ontario Development Corporation (EODC) consultant Peter Merkley will be visiting a number of area communities. EODC is an Ontario government crown corporation that offers loans and loan guarantees to Ontario-based secondary manufacturing industries, exporters and tourist operations.

Merkley's schedule will include: Cloyne, Perth, Sharbot Lake, Tweed and Westport. "I feel that there is a unique business potential in these communities," says Merkley. "A lot of good ideas and business opportunities have been lost because of lack of funding."

Merkley says that EODC will

When it comes to hiring the Deaf, seeing is believing.

## Putting the wraps on packaging

This week we're going to start looking at the best dumpster of them all: Packaging.... Using it spells convenience and profits for the shopkeeper. As shoppers we find it handy to just grab a shiny, triple packaged what-not off the display rack for that home repair. A single sprig of broccoli does withstand a little more handling in a coffin of foam tray and shrink wrapping.

Let's look at that bit of broccoli a little more carefully. First, we'll imagine a pile of all the packaging needed to hold the production of one healthy broccoli plant. Now let's mentally step back and compare the size of the pile with that of the plant. Sure enough, the plant would have no trouble hiding itself under the pile of packaging. To complete this pretty picture, let's imagine a ten acre garden laid out like that ... and now you have a good idea of what our dumps are filling up with so fast.

\*If something is packaged

without needing it, avoid buying". This simple rule of thumb will help put the wraps on over-packaging, and here's how:

1.) Refuse to buy vegetables in foam trays with shrink wrapping. Let the grocer know you won't buy over-packaged fruits and vegetables. Most health food stores don't package their produce, and welcome your clean re-usable containers brought in to them.

2.) Avoid buying over-packaged hardware items such as screws. A triple-packaged container of about one dozen screws costs approximately two dollars. A cardboard box of fifty woodscrews costs about five dollars. The savings in money and packaging is obvious. Again, let the shopkeeper know you disapprove of the over-packaged product.

3.) Let's have some of your ideas on this problem. Send them to Conservation Corner, c/o Box 586, Stirling.

Please clip and save this article for future reference.

CALL FOR A PROVEN PROFESSIONAL OPINION OF FAIR MARKET VALUE OF YOUR PROPERTY

## Harvest celebration time

Harvest time is celebration time in Ontario. A province-wide network representing nearly everyone involved with food - those who grow it, those who prepare it for market, those who sell it and those who eat it - is gearing up for a social harvest celebration, Agri-food Week, from Oct. 2-8, 1989.

Agri-Food Week is the combined effort of the Ontario Federation of Agriculture (OFA), the Ontario Ministry of Agriculture and Food and many of Ontario's commodity boards and organizations.

"Agri-Food Week celebrates the hard work of everyone involved in the food chain - from grower to food processor, laboratory researcher to retailer. It's important that Ontarians appreciate the sophisticated network of people involved in bringing good food to our tables," said Minister of Agriculture and Food David Ramsay.

"Agriculture and food is truly a "growth" industry in Ontario, not just because it provides such an enormous selection of high quality food, but because it contributes a large percentage of income to the provincial economy," said Ramsay.

At \$16 billion, the agriculture and food industry is Ontario's second largest following the automotive industry, totalling \$5.5 billion in farm cash receipts. It employs 20 per cent of the Ontario work force, in jobs such as farming, transportation, food processing and the restaurant and retail trade.

"Buy the food Ontario grows" is the message we want to send out this week," said OFA President, Brigid Pyke. "When consumers buy Ontario food products, they're not only assured they're getting superior quality food, but they can also feel good knowing they're helping sustain, and even create, jobs right here in the province," Pyke said.

During Agri-Food Week, hundreds of farmer-volunteers from the Ontario Federation of Agriculture, as well as from the different organizations which help farmers market their products, go out of their way to reach consumers.

"Agri-Food Week is unique in that it involves all these diverse groups, from farmers to marketing agencies to food companies. It's a giant effort extending across the province, and deep into the city malls and rural town halls," Pyke added.

"This year is shaping up to be one of the best yet for Agri-Food Week," said Carolyn Fuerth, Agri-Food Week committee chairperson. Events are being planned in nearly 30 towns and cities, she said.

"Many counties favour mall displays, setting up a booth in the local shopping centre and chatting with consumers about the business of growing food. This gives both rural and urban consumers a chance to meet farmers in person, ask a few questions and perhaps sample some of the products," Fuerth said.

# Harvest celebration time

Cont'd from page 6A

In addition to displays in mall displays and at country fairs planned for cities and towns across Ontario, from the Rainy River District in the North to Prescott and Russell in Eastern Ontario and down to Essex and Kent Counties in the southwest, there are a variety of activities planned for Agri-Food Week.

For instance:  
- In Chatham, urban and rural folk will be introduced to contemporary farming during a bus tour of local farms. They'll end their tour with a taste of country hospitality at a corn roast.

- In Woodstock, Agri-Food Week placemats, printed with interesting tidbits of information on the agri-food industry, will be used by about 20 local restaurants.

- At the Milton fair, students will be invited to participate in workshops with commodity groups. Teachers will be made aware that special teaching kits on agriculture are available. Organizers expect to reach about 3,000 students.

- Several activities are planned in Northern Ontario, such as Sault Ste. Marie's media tour of local farms at the end of September and a week-long exhibit in the Station Mall, and Agri-Food Week display at the Rainy River Farmers' Market, a local producer display at Thunder Bay's Inter-City Mall and a Rotary Club banquet with 4-H achievement awards in Dryden.

Events in Toronto include:  
- a fall fair and farmer's market at the Ontario Science Centre, beginning early Sunday morning, Oct. 1. About 35 farmers will be selling fresh fruit, vegetables and preserves. There will be ethnic dancers, 4-H club displays and tasty treats prepared in an old-fashioned steam engine;  
- an Ontario apple display at Queen's Park, Oct. 4  
- an Agri-Food display as part of the Harbourfront Harvest Festival, Oct. 8 and 9.

To find out more about Agri-Food Week activities in your area, contact your local Ontario Federation of Agriculture field representative or your local Ontario Ministry of Agriculture and Food representative.

## More on Drought Assistance

Additional townships are now eligible for assistance under the Canadian Crop Drought Assistance Program (CCDAP) on certain crops.

The CCDAP is delivering assistance to farmers who suffered significant losses as a result of the 1988 drought.

In March, eligible townships were identified on the basis of preliminary yield data in order to get payments to producers who suffered the most severe losses. The new townships were identified after final yield data from provincial crop insurance offices was obtained and assessed.

Producers who may now be eligible should contact their agricultural representatives' offices. Staff there should be able to tell them which townships and crops are eligible for assistance.

Most eligible producers will receive applications in the mail. However, eligible producers who have not yet received an application can get one by calling toll-free 1-800-267-6343 (8 a.m. - 7 p.m. EDT). Operators also will be able to tell producers whether they have qualified crops in newly eligible townships.

## Visions 2020

This fall, Ontario high school students will develop a vision of Ontario for the year 2020. It will be a vision of Ontario with both a healthy environment

and a strong economy. The program is known as Visions 2020 and is a project of Public Focus, a non-profitable environmental education organiza-

tion. To date, over 250 schools across the province have indicated that their students will participate.

Pregier David Peterson, an

honourary patron of the Visions 2020 program, looks forward to receiving the students' vision. "The students vision will be a reminder from

the decision-makers of tomorrow that the decisions we make today affect the kind of Ontario they will live and work in. It is important for students to be part of the discussions on sustainable development," the Premier said.

Visions 2020 has already attracted international attention. Teachers from the U.S., Europe, and the U.S.S.R. have asked about the program. One of the honorary patrons is Visions 2020 is Prime Minister Brundage of Norway, chairperson of the United Nations World Commission on Environment and Development.

Visions 2020 will get students to respond positively to the findings of the World Commission. "The Commission warned that global change was required if we are to survive," explained Tom Green, project director. The Commission called for "sustainable development" economic growth which doesn't ruin the environment or the opportunities for future generations. The Commission's message has been adopted by government, environmentalists and business leaders alike. "Visions 2020 will provide students with the skills required for change towards sustainable development, and the continuation to make that change possible," Green said.

Abitibi-Price Inc., a major Canadian forest products company, has generously agreed to pay the participation fees on behalf of all schools. "Abitibi-Price believes in the concept of sustainable development. Students who inherit the future - are a key element in designing what the future will be," said Ben Kroken, chairman of Abitibi-Price and an honorary patron for Visions 2020.

"The objectives of Visions 2020 are both timely and essential if we are to instill a sense of responsibility and commitment among our youth for the well-being of our natural environment," said Dr. Ian Kham, Executive director of the Federation of Ontario Naturalists.

## Disney World

Cont'd from page 1A  
lights up whenever mention of her forthcoming trip to the Magic Kingdom is mentioned.

Her family stresses, however, that if it weren't for Sunshine Foundation of Canada, Carolyn would never have had this opportunity and are very grateful.

The Sunshine Foundation Canada was the dream of Czach. He suffered from muscular dystrophy and at the age of fifteen he was seeing his dream come true. But his dream lives on through the dedication of his mother, Donna, and his father, Ed, a member of the London department of the OPP. They are The Sunshine Foundation Canada a reality.

Your donations to the Foundation should be mailed to Meadowbrook Drive, Suite 100, London, Ontario, N6L 1C1. Phone (519) 652-2901.

If Carolyn's sailor is big strong we are all hoping she can be carried through Swiss Family Robinson house.

# The Rural Scene

by

Ken Yarrow

It's the time of year when the sun is warm in the daytime and nights are cool for a good sleep. Some leaves are beginning to show signs of changing colour. A good time just to be alive.

The older I get the less I like the cold weather sure to follow all this, but the cold weather has other compensating benefits. It is a time for sitting by the fire with a good book (if I ever get the wood in). Many people often say, I wonder where the summer went? When I hear this I think, that person has had a busy summer and hopefully an enjoyable one. Time only drags if one has nothing to do or if one is waiting for a specific event to take place.

By the time this comes to print the Madoc Fair will be over and Thanksgiving will be crawling up on us, to be followed by Xmas.

Another thing about cold weather we tend to socialize

more and to see those who have been busy all summer.

Many people have been busy at many things and at this time of year especially the Craft Shows and sales become more prominent. Not that these are not a year round thing but it just seems more timely in the Fall when Xmas gift-giving is in peoples minds.

If you have never attended one of these then it is well worth the experience even if you make no purchases.

These Craft Shows expose one to many unique skills and

craftsmanship of the Canadian people. Some of these skills are learned and some of them have been passed down through the generations and may date back to Europe or England.

Articles on display and for sale cover a broad range from the daily used items to the simply attractive items purchased for their artistic value.

One should pay particular attention to the fact that most of these items are handcrafted not mass produced and therefore are of increased value.

The quality is phenomenal because each one is created individually.

Now I am not much of a handicraft person and it always amazes me the precision, concentration and time that goes into the creation of these items.

I cannot begin to mention all the items as they vary or if someone comes up with something new but a few of the creations that will be on display at the 4th. annual Craft Sale and Tea in Ivanhoe on Sat. Oct. 14, and Sun. Oct. 15, from 10:00 a.m. 4:00 p.m. each day are: stained glass & copperware creations, crocheted items, knitted goods, Xmas decorations, for those like me with a sweet tooth, homemade candy, toile painting, night clothing to mention only a partial list. Admission is only

\$1.00 for adults and .50 for children, now I say to you, a cup of coffee costs anywhere from .50 to 1.00 and here you will receive as part of the admission price not only refreshments, but homemade sweets, the opportunity to view outstanding values, visit old friends, cause they probably will be there or maybe you should give them a call and go to-gether.

Huntingdon Twshp. Hall is right on Highway 62 at Ivanhoe, ramp access for wheelchairs or those who may have problems climbing stairs.

Here's a definition for you - Committee-a group of people who individually can do nothing but as a group decide that nothing can be done

## Norwood High School

### Big changes in family studies course

There are "drastic new changes" in family studies curriculum in secondary education Norwood and High School teacher Anne Westaway, says.

She is anxious to let people know that her program is still strongly family-oriented and, as the ministry of education's planning, development and curriculum guidelines suggest, "in today's increasingly complex world there is a growing need to understand family dynamics and to develop skills related to that area."

"Students who participate in family studies today need to acquire a different understanding and different types of skills from those ten or fifteen years ago," the ministry's statement says.

#### A showcase on families

"Family studies has as its focus the social, emotional, aesthetic, spiritual, cultural, economic and physical environment in which family members develop and interact."

Mrs. Westaway is currently using the showcase outside her family studies classroom to counterpoise displays of fami-

lies of the past, present and the future.

**CARD OF THANKS**  
MY Family and I would like to thank friends who sent cards at the time of my dear Father's death. Also, thanks to the Ladies Auxiliary Branch 237 Marmora Legion for the flowers sent to the funeral home in Marmora. Your thoughtfulness will always be remembered. Louise Sopha and family.

SUSAN Austing and Barbara Morris would like to thank everyone involved in the workings of the Kim Mitchell Concert. Special mention crew, Dave Papple, Lou Taylor, Neil Burgis, Heather Johnson, Kathy Burkett, Sue Ogletree, Marg Reid, Nancy Nichol, Lorraine Stanley, Mike Morris, Bob & Elaine Connor & children, John Austing, Rotary, all security personnel, Joey Robertson, and both our families for supporting us, Brennan, Lindsay, Louisa, Nick & Kieran. If any group is interested in fund raising on a concert level or have any ideas of bands in which you would like to see in Campbellford or District, please call 705-653-4028. Thank you again, Campbellford!

THE Family of the late Earl Wartinman would like to express sincere appreciation to friends, relatives and neighbours for their kindness, messages of sympathy, flowers, and memorial donations at the passing of a dear husband, father, and grandfather. Thanks to Rev. Reinhardt for her comforting message, the Cooper Women's Institute for the lunch following the service and the McConnell Funeral Home for their care & support.
